## FROM THE PRINCIPAL

*Dear Parents and Community Members*

### **Safety of Our Students**

Last week we had a very close call for one of our students crossing at the lights on the corner of Weller and Toohey Rds. Drop off and Pick up times are always very busy and we must all be vigilant when driving and pay extra care and attention at these times. Your support is appreciated in helping make our school a safe environment for our students.

### **NAPLAN – NAPLAN – NAPLAN**

Yes, our Year 3, Year 5, and Year 7 students have been busy, and will continue to be busy completing NAPLAN tests until Thursday this week, with the make-up day being on Friday. We had a great start yesterday, with all students being extremely calm and positive.

The media has been reporting that students across the country have been stressed by NAPLAN. This is definitely not the case at Wellers Hill. At Wellers Hill we prepare the students for NAPLAN through the provision of quality teaching across all year levels. This provides the students with the knowledge and reasoning / problem solving ability to tackle the tests in an educationally supportive environment.

Popular media also indicates that the test should not be conducted as it adds little or no value to the knowledge about the students, and that the results of the tests are returned too late to be of any benefit to the student or the teachers. Both are common misconceptions.

The NAPLAN tests are point in time tests, however they are extremely useful in measuring how a student is achieving against state and interstate students, and provides a nationally moderated measure of achievement. The tests also allow school performance to be measured against all schools (within Queensland and across the nation), and also schools with a similar enrolment (Like Schools), to our school. This is extremely valuable for the system to measure individual school performance, as well as overall system performance.

In relation to the timing of the results being returned to the school, this is also not a problem. Teachers do not work on a yearly testing cycle any more. Test and achievement data is analysed and interpreted for individual / class / school trends; and programmes are modified accordingly. The current Year 3 -5 – 7 teachers are not the only teachers who will utilise the data, teachers in subsequent years will also use the

date to inform their teaching. Localised measures, namely, tests conducted by the school across the year, are also used to support teaching. This data is collated across year level junctures, to support students as they move through the school.

In my opinion NAPLAN should not be seen as a bad thing, it should be seen as something that happens on a yearly basis in Term 2, and that it is just part of something we do to better support student learning.

### **Junior Learning Centre**

I am pleased to inform parents that the final plans for the Junior Learning Centre have been completed, and are currently in the tender stage. The anticipated construction start date is 5 August 2014, with a completion date of 27 March 2015. Renovation of the existing tennis courts will also be done during the building stage. Final plans for the new building will be placed on the web site this week.

I am cognisant of interrupted learning for prep students in relation to noise and dust, and anticipate that I will be air-conditioning the prep building before construction commences. This will allow the prep teachers to close off the rooms and reduce / minimise disruptions.

Unfortunately, the fig trees at the front of the school will need to be removed for construction. This is being done for several reasons. The reasons are:

- The replacement building is larger than the one being replaced, due to new building standards. The new building will encroach on the area that the trees are currently in.
- Disability access needs to be provided to the school under the building code. Due to the access requirements, the associated ramps and construction will encroach on the root zone of the trees.
- One of the trees is also not healthy and would need to be removed at some stage in the future. Due to the overlapping root zones, there is a strong possibility that the removal of the unhealthy tree would also cause significant damage to the root zones of the healthy tree.
- One of the trees is also significantly lop-sided. This is due to trimming that was required following the fire. This could be causing destabilisation in the root zone of that tree.

If parents look at the plans on the web, planting diagrams are provided that will assist in the replacement of shade. Once the construction is completed, we will also be able to look at other options. A full report has been provided to the school in relation to the removal of the trees. This report will also be placed on the web site this week for parents to read.

### **Adoption of the IPS School Council Model Constitution**

I would like to remind parents that a Special Meeting of the P & C Association will be held on **Wednesday 4 June, commencing at 6:30pm**, to vote on the adoption of the IPS School Council Model Constitution. Parents can view the Model Constitution on the school web site along with the Schools Councils Information Module. These documents will provide a range of information in relation to the establishment and operation of the School Council.

However, I have provided the purpose of establishing a School Council, and information on the role and scope of the Council, taken directly from the Schools Councils Information Module document, for your information.

### **Purpose of a School Council**

Education Queensland recognises that good decision-making often occurs at a local level through direct engagement with the needs and aspirations of the school community.

School councils are the primary mechanism for ensuring these needs and aspirations are addressed. School councils contribute to the strategic leadership of the school and act as the bridge between the school and its local community including staff, parents, governments, community groups and local business and industry.

With the freedom to respond to community needs and through the use of local expertise, school councils are well-positioned to embrace innovation to maximise student learning outcomes.

School councils play an important role in reviewing and/or approving school-based innovations such as:

- working autonomously with local businesses, industry and other community organisations, leading to innovative models for sponsorship, industry and infrastructure partnerships
- contributing strategically to the shape of curriculum offering that suit the needs of students, for example: International Baccalaureate programs, extracurricular programs, gateway programs and centres of excellence
- using local flexibility over finance and human resources to ensure resourcing and staffing plans meet local needs
- the development, use and sharing of facilities and resources

### Independent Public Schools

In particular, the principal of an *Independent Public School* has autonomy to:

- participate with local councils, industry and their community to plan joint facilities
- contract and manage their own maintenance using QBuild or contractors. School councils may have input into the principal's deliberations, but may not enter contracts
- develop and implement a Strategic Infrastructure (Assets) Plan directly with central office. School councils may provide input to the principal.

School councils offer Independent Public Schools the opportunity to draw on the professional networks and expertise of members to complement the educational expertise that already exists in the Schools can use this opportunity to develop innovative partnerships and educational programs to achieve the best outcomes for students.

### Fostering Innovation

School councils foster innovation when they:

- monitor the school's strategic direction
- approve and monitor the implementation of:
  - school plans and policies of a strategic nature
  - other documents affecting strategic matters, including the annual estimate of revenue and expenditure for the school.
- Advise the school's principal about strategic matters.

The school council must perform its functions in a way that achieves the best learning outcomes for the school's students.

### Out of scope

Areas outside the scope of responsibility for a school council include:

- input on school operations, implementation and the direction of school staff in their work duties
- managing the principal, teachers or staff
- management of day-to-day operations of the school and its curriculum
- operational decisions about the use of teaching or learning resources at the school
- decisions about the individual teaching styles used, or to be used, at the school
- controlling funds
- entering into contracts
- representing external sectional interests
- acquiring, holding, disposing of or dealing with property
- establishing a committee or subcommittee
- fundraising
- advising on class allocations.

In addition, council members must not make any decision that is contrary to legislation, industrial instruments, directives, delegations, whole-of-government policy or national agreements. They cannot sue other parties or be sued.

Please do not hesitate to contact me if you wish clarification on the Model Constitution, or any other IPS / School Council issue.

## Chaplaincy Week

Chaplaincy Week, or Chappy Week is an annual event run by Education Queensland and Scripture Union Queensland, to raise awareness of the value of school chaplains... and to raise funds to support school chaplains. To raise funds this year for the Chaplaincy Committee, there will two lunch time discos (with strict scrutiny of the lyrics of the songs), jellybean guessing competition (50c a guess) and a very exciting event as a culmination of the week's activities.....all I am permitted to say is, "Are YOU smarter than the average school kid?"

Later this week, envelopes will be sent home in which you may wish to place your donation for chaplaincy support. Colourful buckets will also be set out in the covered area all week for this purpose and the class that raises the most money by the end of the week will win a pizza party.

Have a great week.

**John**

## SUPPORTING POSITIVE BEHAVIOUR

**This Week's Rule Reminder:**

**Use Good Manners:**

Manners may seem to be relics of the past but good manners, or acting appropriately in a way that's socially acceptable and respectful, displaying respect, care, and consideration for others can help you to have better relationships with people you know, and those you will meet. Good manners convey respect to those you interact with and also encourages respect from those you interact with.

## NATIONAL COLLECTION OF DATA

### Nationally Collection of Data on School Students with Disability

Collecting data on school students with disability helps teachers, principals and education authorities support the participation of students with disability in schooling on the same basis as students without disability.

All Australian Governments have agreed to work together on the annual collection of data on school students with disability.

In 2013, 10% of Queensland state schools participated in the first year of implementation. In 2014, two thirds of Queensland schools will participate and all schools will be collect data from 2015. Our school will be involved in the nationally consistent collection of data from this year.

Please be reassured that the Department will not provide on to another organisation any data that can identify an individual student. The only data being collected at the school level to be reported nationally is the:

- number of students in the school who are provided with an adjustment to address a disability;
- level of adjustments we provide for those students; and
- broad category of disability.

Consultation with parents is important not only for the data collection but also to ensure you aware of the adjustments being provided to support your child. We will therefore continue to consult with you.

While only data that cannot identify your child will be submitted outside of the Department, if you do not wish for your child's details to be included, please let the school know.

Information and fact sheets are available to help you make a decision from the:

- Department's website: <http://education.qld.gov.au/curriculum/disability-data-collection.html>
- Australian Government Department of Education website: <http://education.gov.au/nationally-consistent-collection-data-school-students-disability>

Alternatively, if you have any queries about the collection or use of this data please contact Mrs Louise Hart at school on 32491333.

## FROM THE P&C PRESIDENT

### **It's all about the kids!**

Each year many new families join the Wellers Hill State School community, not only in Prep but throughout the other year levels. I would like to outline the role of the P & C to give parents a greater understanding of how the P & C operates. We have an active and supportive parent body and I encourage parents to come along to a meeting, see what we are doing and find a way to be involved. Our Parents & Citizens' Association (P & C) works in partnership with the teaching staff, the Principal and School community, in order to give our children the best education possible. Our motto is 'It's all about the kids'.

### **The functions of the P&C are:**

- To foster interest in educational issues and provide a forum for positive discussion of school policies, long-term planning and budgeting
- To encourage closer co-operation between parents, staff and students - we welcome everyone's views, opinions, input and suggestions and aim to make decisions on behalf of the school community, representing a wide cross-section of families
- To provide or assist with the provision of financial or other resources or services (above and beyond those provided by Education Queensland) for the benefit of the students - we organise fundraising events such as the Art Show, 'Harmonies on the Hill' (fete), spell-a-thons, pie drives, movie night etc.,

We seek to represent all interest groups and specialty areas within the school. The Swimming Club, Tuckshop, Uniform Shop and Outside School Hours Care (SACCS) are valuable services to the school community operated by sub-committees of the P & C Association. In addition, the Music Support Group and Sports Support Group provide a broad range of services for the benefit of the school.

The next P & C meeting will be held on Wednesday 4 June starting at 6.30pm in the library annexe.

### **Working Bee Sunday 25 May**

The second working bee for the year will be held on Sunday 25 May from 9 – 11am. In an attempt to encourage more parents to volunteer their time at working bees the P & C have decided to 'target' 2 year levels for each of the 4 working bees during the year. This working bee we would like parents and students from Years 2 & 7 to assist with a number of projects around the school. Details of these will be in the newsletter next week. Kids are very welcome and can even be helpful. Please bring gardening tools, gloves and wear closed shoes. It has been said 'Many hands make light work'. Please think about coming along to help out.

Feel free to contact me if you have questions [narelle@cooleyfamily.com.au](mailto:narelle@cooleyfamily.com.au)

**Regards**  
**Narelle**

## **MOTHERS DAY STALL THANK YOU**

Thank-you to so many volunteers who helped out with the Mother's Day Stall this year. Buying, wrapping & selling over 2,000 gifts involves lots of support including 8 mornings of wrapping, setting up and then running the stall for more than 8 hours over 2 days.

The following volunteers helped to wrap and present beautiful gifts for the children to buy at the stall:

- Kim George
- Lyndal James
- Janet Evans
- Michelle Botha
- Karen Little-Cliff
- Kerry Cox
- Caroline See
- Danielle
- Michelle Cartwright
- Allison Blaikie
- Simone Flint

Thanks also to those that helped to set-up and/or serve, which at times was quite chaotic - Madonna Stewart, Vanessa Burgess, Tracy Wilson, Leanne Shaw, Gail Kirkman and Prue Jay. There were other helpers, including students, which also lent a hand to serve at the stall, so thank-you very much.

This year we also received some amazing hand-made gifts from Nikky Christian as well as a craft group associated with families at the school. Many thanks to Wendy Cox, Nell McLoughlin and Robyn Groeneveld from the craft group as well as Nikky Christian for their generosity.

We'd also like to acknowledge and thank Valya from SACCS for the use of the SACCS Homework Rooms, the admin team, teachers and parents for supporting the stall again this year.

Helen Stuart, Fiona Pearce & Deanne McDonald

## SCHOOL BANKING

A new school banking competition is underway and you could be a winner!

Students simply need to make three or more School Banking deposits in Term 2 and they will automatically be entered into the competition to win some fantastic prizes including:

Major student prize.

- Five nights' accommodation at the Sea World Resort & Water Park on the Gold Coast;
- VIP Passes for two adults and three kids to Sea World, Warner Bros. Movie World and Wet'n'Wild Gold Coast;
- Dolphin Family Aqua Adventure; and
- A \$3,000 travel gift card to get them there.

Runner up student prizes.

- 130 Toys"R"Us Gift Cards to the value of \$250 each to spend on their favourite toys.

School Prize

- \$1,000 cash for one school in each state/territory of Australia.

**Banking day is every Thursday.**

## EMERGENCY CONTACTS

Please ensure the school has up-to-date information regarding emergency contacts so that you can be contacted promptly if required.

## MUSIC SUPPORT GROUP

### **MSG MEETING 14 MAY 2014**

Our next meeting will be held on Wednesday 14 May at 7pm in the staffroom. All music parents welcome to attend. Topics to be discussed include Fanfare and Music Night in June.

### **MSG PRESIDENT**

A great opportunity exists to be elected president of the Wellers Hill State School Music Support Group. As MSG president you will:

- chair monthly MSG meetings;
- lead the organization of music events;
- work closely with the music teachers and other MSG committee members;
- have the opportunity to use your own initiative to improve the music program.

As MSG President you don't need to worry about the day to day running of the MSG because all support roles are filled (treasurer, secretary, levy coordinator, uniform convenors, instrument convenors, fundraising convenor etc.). Please come to our next meeting or call Gaby Hill 0402 429 821 for more information.

# TUCKSHOP

## STATE OF ORIGIN MEAL DEAL

Yes! It's back! We will have a **State of Origin Meal Deal on Wednesday 28<sup>th</sup> May**. It will consist of a meat pie, sauce, spoon, Tropical LOL, Red Rock Honey Soy Chips and an iced cupcake. You can place your order now on Flexischools or fill in the tear-off section in the newsletter and bring it with your payment to the tuckshop. You can also place it in an envelope and drop it in the payment box at the office. Cost is \$7 and orders must be received by Friday 23 May.

## HELP NEEDED

Unfortunately a few of our fantastic volunteers have taken up study or work positions over the break so we have a few days where we have no volunteers – Tuesday and Wednesday. If you can spare a few hours once a month (9-11.30) on a Tuesday or Wednesday please come and see us in the tuckshop or email Carolyn at [whsstuckshop@gmail.com](mailto:whsstuckshop@gmail.com). Thanks.
