## FROM THE PRINCIPAL

### Book Week is Here

This week is book week and the theme is 'Connect to Reading – Reading to Connect' and this theme highlights the importance of reading for enjoyment, to experience exploring stories and travelling to other worlds. The theme also has a broader social meaning, suggesting that reading assists in creating a bond with others. Children today connect through a variety of media, but the traditional book that children can enjoy alone or with others, is still of great importance in our society. Here is the link to the Children's Book Council of Australia website, which lists the 2014 Book of the Year Award Winners. Some good ideas for birthdays or Christmas. <http://cbca.org.au/index.htm>

Many thanks to all the families who supported our Book Fair this week also. It was great to see so many children begging parents to buy them books. The funds raised will help support further resources for the school. Many thanks also to Mrs Dunne and her mother Mrs Gordon who gave up mornings and afternoons to run the Book Fair.

Finally, a special thank you to all classes for joining in our Reading on Rugs program this morning. It was fantastic to see the whole Wellers Hill community enjoying reading together. We have also had lots of fun this week with all different members of the Wellers Hill staff reading to children in the lunch hours each day. I'm sure Mr White was a hit with 'Three Kangaroos Gruff'.

### NAPLAN Results

This week the NAPLAN results were released and a preliminary look at our Wellers Hill students' results are very impressive. In all aspects of the NAPLAN tests across Years 3, 5 and 7, our Wellers Hill school students performed above the state mean with a high percentage of students in the upper two bands. Pleasingly, the writing results for Year 3 demonstrate over 50% of our students performing at a Band 5 or 6 with similar results in Years 5 and 7. Parents are advised that NAPLAN results will go home next Monday 25<sup>th</sup> August.

### Construction of Junior Learning Centre

I wish to advise all parents/carers that the commencement of construction for the replacement Early Learning Centre is fast approaching. We expect the contract to be awarded this week with signing off for final approval by DETE. What does this mean for the Wellers Hill community?

- Construction will commence very soon after sign-off (as early as next week)
- The construction site access point will be from Chamberlain Street – so the access to the Prep building will not be available.

- The construction site will use the majority of the staff carpark (near Toohey Road), the Prep playground and play area - so the main street access stairs on Toohey Road will be closed.
- The construction site will be operational from 6am to 6pm Monday to Friday and some Saturdays.
- The school will provide the main driveway (near the pool) from Toohey Road as a walkway for all students during the construction time as well as other access points including the Scout Den and Wellers Road entrances.

Please note until the site visit next week, final details have not been confirmed. But this message is to advise all members of the Wellers Hill Community that parking, walking/access to the school grounds, access to Prep classrooms will be impacted from the works. However, the new Junior Learning Centre will be a wonderful facility for our children to enjoy.

### **Benesse Visitors**

A warm welcome to our visiting Benesse students from Japan, I trust you are enjoying your visit with us. A big thank you to the families that are hosting our visitors, please ensure that they are at school by 11:00am on Sunday August 24 ready for departure at 11:15am.

### **Japanese Adult Classes**

This week we commenced our parent Japanese conversation classes for the parents of students in the Year 1 Bilingual Programs. Our lessons are conducted on Monday evenings from 5.30 to 6.30 pm or Thursday afternoons from 2 to 3pm. Please note that for full adult participation we request that no children are brought along to the classes. Many thanks to our wonderful native Japanese speakers who are conducting the classes, Fumie Keeling and Akiko Hansen.

### **2015 Year 1 Bilingual Offers of Acceptance**

Prep parents are reminded that Offers of Acceptance for the 2015 Year 1 Bilingual Program will be emailed to all parents on Monday 1 September and will close on Monday 15 September. Please feel free to contact a member of the leadership team if you would like to discuss the program. Could all parents please ensure the front office has your correct email address – hard copies will also be sent home.

Thanks once again for your continued support  
Gayle Coleman

## **SUPPORTING POSITIVE BEHAVIOUR**

### **Rule Reminder:**

#### **Saying Sorry**

When you need to say sorry:

- Look at the person
- Apologise and say what you did that you are apologising for
- Suggest a way you can help OR ask how you can help
- Show that you mean the apology by committing to not doing it again

It is very easy to say the word 'sorry', but it is often said without any real thought or feeling. When a person is repentant, they try to make amends for their actions and take steps to avoid a recurrence of the incident.

### USEFUL INFORMATION THAT WE ALL NEED TO REMEMBER

#### Who's chatting to your kids?

The internet today contains many sites that are designed to encourage children and teenagers to communicate by messaging each other in real time. Many of these sites contain areas where children can post personal information about themselves including their name, age, location, photographs, and contact details. Please take some time to discuss these on-line safety tips with your children:

- Never give out personal information on the net, like your full name, address, phone number or school, even sporting events attended, or locations of extra-curricular activities
- Ensure your screen name does not reveal personal information about you.
- Review your online profile. Predators can use this personal information to find you.
- Only allow your friends to view your personal blog and profile.
- Never send your picture to someone you don't know.
- Don't accept invitations to view webcams from unknown internet users.
- Never arrange for face-2-face meetings with people met online.
- Understand predators ask personal questions and attempt to become friends quickly.
- Time chatting online to a person does not equal trust or knowing the person.

Teach children the 5 R's :

**REALISE** – people you chat with may not be who they say they are, nor what age/ sex they give.

**REFUSE** – requests for personal information and ensure your internet profile is private.

**REVIEW** – your contacts. It's not "kool" to have contacts you don't know.

**RESPOND** – quickly if you ever feel uncomfortable while on-line. Close the program, Tell your parents or a trusted friend.

**REPORT** – any suspicious or danger on-line contact to the police.

## FROM THE P&C PRESIDENT

### P & C meeting

The August P & C meeting will be held next Wednesday night 27 August at 7pm in the library annexe. Everyone is welcome. Why not come and see what we do?

### P & C survey

The Wellers Hill P&C Executive is seeking input from the broader school community about priorities - our motto is "It's all about the kids" - and we want to know what's important to you in delivering that objective. As part of a process to collect ideas, all parents will be invited to respond to a 5 minute web survey assessing parents' priorities. One question asks you to suggest your priorities for school improvements. Examples of items the P&C has funded include playgrounds and the renovations to the After School Care facility.

Following the survey an 'Ideas Workshop' will be held for parents wanting to further discuss the ideas. Year 6 and 7 students will also be asked to submit their ideas. After all, they probably know the school better than their parents.

A link to the survey will be sent to all parents via the parent rep email network next week. If you do not receive the email please contact your class representative.

The P&C looks forward to your ideas!!

### Volunteers needed

1. The P & C still need a secretary for 2015 as our current secretary leaves at the end of this year. Much of this role can be done at the P & C meetings by collating correspondence and taking the minutes.

2. 'Harmonies on the Hill' fete committee 2 VOLUNTEERS needed  
Harmonies on the Hill' is the biggest fundraising event organised by the P & C. The date for 'Harmonies' next year is likely to be in October 2015. Can you help?

WE NEED:

- \* Equipment Co-Ordinator - manages the equipment requirements (tents, tables, chairs etc.)
- \* Treasurer - responsible for payment/reimbursements of costs and treasury functions on the day of the event

Members of past fete committee are happy to provide guidance to the new fete committee and provide any information and files they may need. Someone could also attend any initial meetings organised, which are usually monthly to begin with, and to assist in the formation of the fete committee. If you're interested in volunteering for any of these roles, please contact me at ASAP

### **Staffroom for Improvement**

Can you spread the word far and wide about Wellers Hill participating in the 'Staffroom for Improvement' competition? This is organised by QT mutual bank and the winning school receives \$20 000 to renovate the teacher's staffroom. At Wellers Hill State School we have a great staff and it would be wonderful if we could win. Last year we were second!

We will only have a good chance of winning if everyone is involved from the beginning. It started this week on Tuesday 19 August. It works by people registering an email address and logging on each day and then clicking a button which give you "apples" as points.

BUT the only way to win is go beyond the school community. We need family and friends involved from the beginning voting daily. It only takes a couple of minutes. We get bonus apples if you recruit friends so it's worth encouraging those closest to us you to also sign up!!!! It's easy to participate in Staffroom for Improvement. When you do, not only will you have the satisfaction of supporting your school – individual voters also have the chance to win daily prizes through our Ultimate Staffroom Accessory poll.

Start by registering. You can use the link

<http://www.staffroomforimprovement.com.au/Registration?s=fcadb24a9fb4593d3260cd3de805e82d>

OR go to the website <http://www.staffroomforimprovement.com.au/>

Once you're signed up, they send you an email to verify the information you provided. Just click the link in the email and you'll be on your way! You can visit this website each day, and click on The Big Red Button to support your school. The first time you visit, your click will give one apple to your teachers. Your second visit and click will count as two apples. Your third visit and click will give... (can you guess?!) ...three beautiful juicy apples to your teachers. From there, the sky's the limit! Vote each day and watch your apple giving power increase. The teachers at WHSS will really appreciate your effort!
