**FROM THE PRINCIPAL**

I hope all of our dads had a wonderful Father’s Day on Sunday. Congratulations to all of our budding young scientists who entered the Science Fair this week. There were some outstanding projects. Parents are invited to view them today (Wednesday till 6pm) and tomorrow morning. Then we need to pack up Thursday afternoon to prepare for our Grandparents’ Day on Friday. Parents are reminded that for Friday from 8.15am we will have staff at the Wellers Road entrance (near the intersection of Toohey Road) directing grandparents who need wheelchair access. These families may park inside the school grounds for ease of access. I can’t wait to welcome all our grandparents and special friends to our wonderful school.

This week I was very fortunate to meet many new and current families at our 2015 Prep Orientation morning. Next year we will have six Prep classes and it was great to see the children make their first visit to our Prep classrooms. Please remember the classrooms visited may not be your child’s Prep teacher next year as we do not finalise 2015 staffing until term four. Also just a reminder to return your Prep forms to the office at your earliest convenience.

**Staffing Changes**

We currently have some staff on leave so there are a few replacement teachers across the school. Welcome to Lauren Watterson on 3L for Carmel Lowe, Ann Lutteral is teaching full-time while Ann Horder is on leave on 6HL, Cassie Mutimer will be on leave next week and is replaced by Fem Castles and Tracey Hawkins will also be on leave and is replaced by Michelle Cartwright for the week. Please stop in and say hello to these teachers.

**NAPLAN Success**

The students at Wellers Hill State School have shown significant improvement in their preliminary NAPLAN results for 2014. In every year level and in all strands including Reading, Writing, Spelling, Grammar and Punctuation and Numeracy, the Wellers Hill students performed substantially above the nation in the mean scale score and in the percentage of students in the upper two bands in all strands except two. Similarly, the percentage of students achieving the National Minimum Standard was above or substantially above the nation in all year levels and in all strands. This is a direct result of both the quality of teaching across the school and the support programs provided by the Support teachers Literacy and Numeracy and the additional teacher aide support in the school. There has been a media frenzy around the writing results for 2014, but we have not seen any significant decline in our writing results with all year levels substantially above the nation in the mean scale score. This is also a direct result of the whole school writing focus in semester one this year.

Here is a snapshot of the results for your information:
· The percentage of students in the upper two bands in Reading was 69% in Year 3 and 55% in Years 5 and 7.

· The percentage of students in the upper two bands in Writing in Year 3 was 63%.

· The percentage of students in the upper two bands in Spelling in Year 3 was 56% - up from 40% in 2013.

· The percentage of students in the upper two bands in Spelling in Year 5 was 44% - up from 32% in 2013.

· The percentage of students in the upper two bands in Grammar and Punctuation was very high across all year levels with 69% in Year 3, 60% in Year 5 and 58% in Year 7.

· The percentage of students in the upper two bands in Numeracy was 55% in Year 3 and 60% in Year 7.

· In Year 7, 100% of students achieved the National Minimum Standard in all strands except Writing.

Staffroom for Improvement
Thank you to all families for voting for our staffroom. Unfortunately we didn’t win and were not placed in the top ten. Maybe next year!

Talent Showcase
A reminder that tonight we have the Talent Showcase at Holland Park State High school hall from 6.30pm. I’m very keen to see the Bollywood Dance group, some solo performances on drums and piano as well as a comedy act, vocal performances and some dancers. I hope you can join us to see our talented students in action.

Regards Gayle

SUPPORTING POSITIVE BEHAVIOUR

Protective Behaviours

No one has the right to make anyone else feel uncomfortable. We need to teach students to recognise, react and report when they are unsafe or find themselves in situations that can have a significant detrimental effect on their physical, psychological or emotional wellbeing.

RECOGNISE - Do you feel unsafe? What are the signs? Is there potential danger ahead?

REACT - Do you have a plan? If not, what are your “exit” strategies?

REPORT - Who are your Safety Helpers? Always have a list of people and review it constantly.

FROM Anne Chapman, GUIDANCE OFFICER

National Child Protection Week
Child abuse and neglect is one of Australia’s most significant social problems.
Last year more than 35,000 Australian children were proven to have been abused or neglected. Given we know that child abuse is under reported and difficult to prove, these statistics are alarming.

Child protection is everyone’s business. Responsibility lies with adults in our community to keep children safe from harm. Listening to children and young people is the most important way to assist their safety and well-being. If a child tells you they are being hurt, please seek help for them.

All members of our community need to make child protection their business and play a part in ensuring children are nurtured and safe.

Protecting children is EVERYBODY'S BUSINESS

This is a key message of Queensland Child Protection Week 2014 being held from Sunday 7th to Saturday 13th September 2014.

FROM THE P&C PRESIDENT

Father’s Day Stall
A big thanks to Deanne McDonald and her team of helpers for organising and serving on the Father’s Day Stall. There were plenty of gifts for the students to buy for their Dad and/or Grandpa. We appreciate all the hard work that goes on behind the scenes in the lead-up to the stall. The items need to be purchased, wrapped and priced ready for sale. This is a wonderful service offered to the families at WHSS and well attended.

Woodcraftman URGENTLY needed!!!!!
As you may be aware the 3 large fig trees near the old netball courts will be removed for the new Early Learning centre building to be built. The P & C discussed using some of the wood to make a significant object in memory of the trees. We need someone in the school community eg. a Dad, Grandpa, Uncle who is able to take the wood and turn it into a bench (we can add a plaque), totem pole or some other item that can be permanently on display at WHSS. The trees will be removed on the first Saturday of the school holidays September 20. The wood needs to be taken away that day (a trailer will be needed) but there is no rush to create the object. If you know anyone who would be interested in being involved please contact me URGENTLY. We will need to know ASAP to tell the builders to retain the timber so it is not all turned into woodchip and a section of tree trunk is retained.

WHSS Cookbook – Recipes and Order form
The cookbook committee is making great progress on the WHSS Cookbook. Don’t forget to email your favourite recipes to wellerscookbook@gmail.com by Friday 19th September or put them in the green box at the office. Cookbooks will cost around $10 and to get an idea of how many to print there is a form at the back of the newsletter. Please return ASAP.

- Helpers to set up and pack up Marquees etc (Arrive Saturday Morning)
- Security and ticket booth check and purchase at both entry points

## SACCS

### 2015 Re-enrolment

SACCS is aware that every year it is a time-consuming process to complete the enrolment forms for children attending before and after school care. In an effort to avoid the unnecessary duplication of information already provided, we have streamlined the re-enrolment process. Please read carefully the instructions on the first page of the enrolment form which outlines how to enrol new children and how to re-enrol those already attending SACCS.

For families with children already attending, we will provide you with a hard copy of your current contact information (there is no alternative for an electronic copy) – Please obtain your re-enrolment package from our office, check it and confirm or update your current contact details.

The re-enrolment process will commence on Monday, 15 September 2015. The closing date is at 6pm on Friday, 10 October 2014. Do not miss out – ensure that we receive your enrolment/reenrolment package within this time frame.

**School Disco night on Thursday, 18.09.2014:** - All children from grade 1, 2 and prep will be attending the disco night from 5pm until 5.55pm. Please make sure to complete the Disco attendance Permission Form should you like your children to attend this popular event.
