FROM THE PRINCIPAL

World Teachers' Day

World Teachers' Day offers a chance to acknowledge our teachers and say thanks. Every day, Queensland teachers are making a difference educating and inspiring young Queenslanders. Our teachers at Wellers Hill State School are dedicated professionals who go over and above for each of our students. Our children are extremely fortunate to also have the opportunity for sporting, language, choral, band or artistic success through a wide range of programs offered across the school.

World Teachers' Day, is celebrated in more than 100 countries world-wide and was established by the United Nations Educational, Scientific and Cultural Organisation (UNESCO) in 1994 to celebrate the role of teachers in society. World Teachers' Day is held internationally on 5 October. As the day usually falls during school holidays, Queensland celebrates on the last Friday of October each year. I would like to publicly thank all of the teaching staff at Wellers Hill and acknowledge the efforts and enthusiasm shown daily to improve learning outcomes for our Wellers Hill students.

Free Dress Day for Daniel

This Friday 31 October is Day for Daniel and I encourage all members of our school community to wear red and bring a gold coin donation for the Daniel Morcombe Foundation. The Daniel Morcombe Foundation website has some valuable resources for both parents and children. In particular, they have developed an emergency mobile phone app that is worth considering if your child has a mobile phone. Please encourage your child to wear red this Friday. Students going to interschool sports may change in to their sports uniform at morning tea. <http://www.dayfordaniel.com.au/>

G20 Holiday – Friday 14 November

Just another reminder that Friday 14 November is the G20 holiday in Brisbane. Our year 4 students were involved in creating drawings that were used for the children's art project. Visit the G20 website for further details. <http://www.g20culturalcelebrations.com.au.s3-website-ap-southeast-2.amazonaws.com/>

Music Success

Congratulations to all of our talented students in both our bands and choirs. Many of our children have been competing in the Music Fest over the weekends. Congratulations to all those students. Also a huge congratulations to the Senior Band who won gold at the Music Fest at Calamvale on Monday afternoon.

Music Night

All parents are invited to the Wellers Hill Music Night next Wednesday 5 November from 6.30 at Holland Park SHS.

Safety of our Children

Firstly, I would like to thank all parents for your patience and understanding during the construction of the new Junior Learning Centre. I know that many families are using this as an opportunity to walk to school or park further away and have children walk together to the school grounds. Parking in the Scout Den carpark is now very congested. This is a reminder to parents that the stop, drop and go is NOT for parking and walking in to the school grounds.

Regards Gayle

SUPPORTING POSITIVE BEHAVIOUR

Rule Of The Week:

Stairways:

When using stairways:

- **Walk** quietly and in an orderly fashion so that others are not disturbed
- Move peacefully in single file
- Rails are for hands
- Walk one step at a time
- Carry items
- Keep passage ways clear at all times
- Keep left

Tips for parents to prevent cyber-bullying

Children socialise very differently these days. A lot of it takes place on the internet, a world that can be very hard to monitor as a parent. Due to the remote nature of the internet, it may be less obvious that your child is being subjected to cyberbullying, so be sure to watch for symptoms and talk to your child if you have any concerns.

Cyberbullying involves the use of email, chatroom or social media site messaging on the internet, and text, picture and or video messaging on mobile phones. Unfortunately, it means victims can be bullied even when they're not at school, leaving children very few places to hide. Often, children may be scared to confide in their parents regarding cyberbullying, worried they'll have their computer rights restricted, or their mobile taken away.

Symptoms can include:

- Excessive computer use
- Troubled sleep or nightmares
- Depression
- Anti-social behaviour
- Anxiety after using the computer
- Not answering their mobile phone or checking messages

Tips for talking to your child about cyberbullying:

- Educate your child about cyberbullying and reinforce which types of online behaviour are acceptable, and which are not
- Advise them only to give their mobile number and personal email to friends
- Enforce time-off from the computer or their mobile phone if cyberbullied

- Do not open emails from cyberbullies or respond to bullies on Facebook or SMS
- Encourage them only to talk to people they've met in person
- Block the bullies from their Facebook account

What to do next:

- Move your family computer to a public place so you can monitor the times they're online, and their anxiety levels
- Contact the police if the messages are threatening

In the event your child has been a victim of cyberbullying, parents can seek assistance from:

Parentline QLD - 1300 30 1300

Young people are encouraged to call Kids Helpline on **1800 55 1800**.

FROM THE P&C PRESIDENT

World Teachers' Day this Friday 31st October – Special morning tea for staff

World Teachers' Day acknowledges the efforts of teachers in an increasingly complex, multicultural and technological society. It is a day where students, parents and community members can demonstrate their appreciation for the contributions that teachers have made to their community. The teachers at Weller's Hill share their knowledge, give our children special care and attention and inspire them to learn. Not only during the school day but many hours are spent marking homework, preparing lessons, going on camps and excursion. On Friday please say a special thanks to your class teacher – we do appreciate the time and effort they give to educating our children!

The P & C are hosting a special morning tea THIS Friday. Please bring a small plate of food and deliver it to the staffroom on Friday morning.

P&C Priorities Survey Results

The P&C has recently been consulting with parents, year 6 and 7 students and the broader Wellers Hill State School community about the priorities that should shape P&C activities in the future.

We ran a short online survey that over 140 parents and some 170 students completed. A few staff and other community members also completed the survey but there are not enough responses from those groups to report on separately.

P&C Focus

In that survey we asked everyone to rank the most important things that the P&C should focus on doing.

- For parents the top 3 things were:
 1. Provide fundraising and resources (e.g. computers & building program)
 2. Provide services (e.g. before and after school care, the uniform shop, the tuckshop etc)
 3. Improve educational outcomes & foster community interest
- For students the top 3 things were:
 1. Improve educational outcomes & foster community interest
 2. Provide fundraising and resources (e.g. computers & building program)
 3. Support sporting activities (e.g. Sports committee, Water Ratz)

P&C Services

We also asked everyone to rate how important the various services that the P&C provide to the community were.

- For parents the top 3 services were:
 1. SACCS (before and after school care program)
 2. Uniform shop
 3. Tuckshop
- For students the top 3 things were:
 1. Sports Support Group

2. Uniform Shop
3. Music Support Group

P&C Fundraising

We also asked parents to provide feedback about the level of fundraising that the P&C undertakes. The majority of responses (61%) said that it was about the right amount, a significant number (37%) said that we should do more, and a few people (2%) felt it was too much.

People were also asked which of the current or proposed fundraising activities that the P&C conducted they liked most.

- For parents the top 3 fundraisers were:
 1. The Fete/Harmonies on the Hill
 2. Mother's & Father's Day stalls
 3. The Discos
- For students the top 3 things were:
 1. Gold Coin Days
 2. Mother's & Father's Day stalls
 3. The Fete/Harmonies on the Hill

The survey collected a lot of useful information about suggested activities and possible projects. These suggestions have been analysed and some high level themes extracted. In particular the suggestions relating to the projects the P&C should focus on in the coming years were identified and formed the basis of a workshop that was held last Saturday the 25th of October.

P&C Project Priorities Workshop

This workshop focused on identifying specific projects that either aligned with the themes from the P&C Priorities Survey or were directly suggested by people. The workshop came up with 25 discrete projects that aligned to broad categories of:

- Grounds Improvement (12 projects)
- Building Improvement (5 projects)
- Education Support (3 projects)
- Technology Support (2 projects)
- Sports Support (2 projects)
- Resources Support (1 project)

These specific projects were then ranked in terms of priority for the P&C on factors such as:

- Number of children who would benefit from doing the project
- How frequently the benefits of the project would benefit the school community
- The perceived cost of the project
- How urgently the project was required
- How frequently it was mentioned in the survey itself

The workshop group's ranking suggested that of the specific projects the following were of highest priority:

1. Grounds – providing more seating for students
2. Sports – provide opportunity for students to be active before and after school (particularly in that period between drop off and the start of school)
3. Grounds – provide more shade for students

However there were a number of other significant projects that were identified as priorities for the P&C that due to their cost did not make the top three. These included in no particular order:

1. Grounds – addressing the top oval surface condition
2. Buildings –air-conditioning to classrooms and related
3. Buildings – installing solar panels
4. Grounds – addressing the parking issues
5. Grounds – upgrading the pool seating and grand stand
6. Buildings – upgrading the undercover area to be more weather proof

P&C Future Consultation

The P&C is committed to consulting with the broader Wellers Hill State School community about these issues and is welcoming feedback and input into how we should determine the priorities for the P&C in the future.

The first step is to continue to refine the above list and priorities, which we will do through the regular P&C meetings. We recognise not everyone can make those so are happy to take feedback directly.

The summary of the survey and the projects lists presented above are obviously on some of the ideas raised in the workshops. If you are interested in receiving the full list and the rating scales used, or indeed more of the survey results themselves then please contact either:

- Narelle Cooley (narelle@cooleyfamily.com.au) or
- John Holm (john.holm@mac.com) or
- Jana Novak (janadavid@optusnet.com.au)

Narelle.

PE Swimming Classes

If possible could all parents please write their child's name on their swimming cap, as you can understand it's very difficult to learn all the names of the students at Wellers Hill and any help I could get would be much appreciated.

With the commencement of swimming lessons there has been a number of items left behind after classes in the change rooms. Please make sure all items are clearly named to make it easier to return these belongings to the correct person. There is a crate down at the swimming pool which has all the items which have been left behind, please feel free to come and check if your lost items are there.

Can all students in Year 4 & 5 please remember to bring a pair of shorts and a t-shirt which they can wear in the water and students in Year 6 & 7 please bring a pair of long pants and a long-sleeved shirt (pyjamas are fine to use) to swimming next week as we will need these items for our class.

LOST ITEMS

I have a brand new unnamed pair of blue Zoggs goggles which were left behind on Wednesday morning from the Year 4 classes (4JW, 4S, 4LS & 4/5JH). If your child has misplaced their pair of goggles and these sound like yours, please make sure you come see me in my office in the Music block to collect them.

G20 Public Holiday: Due to G20 Public Holiday SACCS will be closed on Friday, 14th November.

GARDEN UPDATE

Grade 6 have been caring for the 7 gardens surrounding their classrooms for the entire year. Their commitment to the gardens is so admirable and they have managed to keep all of them going throughout our exceptionally dry Winter. A HUGE thank you to Grade 6!!

SACCS have also done a fantastic job of planting gardens in front of their newly constructed shed.

A BIG THANK YOU to the following people for donating plants recently to the school.

Gail Kirkman, Lisa Fraser, Dana Hobbs, Fred & Margaret Goeths, Stan & Maria Savage and Leo & Josie's Convenience Store. Leo and Josie have some very snazzy Halloween treats this week if anyone hasn't got theirs yet.

Gail Kirkman and I will be planting over the coming weekends in the large embankment directly in front of the music rooms. If anyone has any of the following plants in their garden that they can spare, please contact me at suzie.savage@iinet.net.au Garden helpers are desperately needed too so please contact me if you have an hour to spare.

Small clippings of Dracena

Agaves

Bromeliads (any variety)

Rhoeo (any size or variety)

Jade (any variety)

All of these plants require very little care and will be practically self sufficient in the years to come.
