FROM THE PRINCIPAL

Dear Parents and Community Members

I hope that everyone is having a good week.

I spoke last week about World Teachers Day and the generosity of parents in providing morning tea for our teachers on Friday 1 November. Thank you once again, your kindness and generosity is greatly appreciated.

While we have only six weeks to go until the Christmas vacation, classes are still powering ahead with learning. I would encourage all parents to use the slogan “every day counts” with their children, as every day until the end of the year at Wellers Hill does count for students and their learning.

Prep Orientation Day
The school held a successful Prep Orientation Day on Wednesday 6 November, with 120 2014 prepies attending. Thank you to the wonderful 2013 prep Mums for providing morning tea for the 2014 parents. I would also like to thank all of the parents who assisted with school tours, and handing out information packs. Thank you as well to our Senior Strings and Mrs Price for entertaining the 2014 parents prior to the start of the presentation.

We Celebrated a Weekend of Music
Last week students and teachers celebrated a Weekend of Music at Musicfest. The music started on Saturday morning with the Junior Choir. Their performance was magnificent, and they should all be very proud. They were awarded a Gold Award.

The Junior Choir performance was followed by the Vocal group performing Beautiful Rain and Lightning. Again, a magnificent performance. The Vocal Group were also awarded a Gold Award.

Many students and parents returned on Sunday for the performance of the Senior Choir. Again a magnificent performance that we are all extremely proud of. The Senior Choir were awarded a Silver Award.

Many thanks to our music teacher and choir conductor, Miss Cav, you have achieved a wonderful outcome with our students over 2014. Thank you as well to all of our parents, I appreciate your time and effort on the weekend to make sure our performance was successful.

Interpreting Report Card Comments
Over recent years, parents, students and teachers across Queensland have been gradually becoming more familiar with a more uniform process for reporting in all schools. The use of a more consistent 5-point scale:

• Prep – Applying, Making Connections, Working With, Exploring, Becoming Aware
• Years 1 and 2 – Very High, High, Sound, Developing, Support Required
• Years 3 to 7 – A, B, C, D, E
has been one of the significant developments. Most of us who were schooled in generations past are a little familiar with the A-E scale and for many it offers a great deal more comfort and better understanding of achievement.

An important point that deserves clarification though is that the 5 point scale has some subtle differences these days and that when we see a “Working With, sound or C” on our child’s report card it means something a little different to what it used to on our own report cards, many years ago.

In the past the achievement scale used a “Bell Curve” distribution which means that a small group of top students in the class got an “A”, the next group got a “B”, the majority of the class were given a “C” and so on until the whole class represented a distribution from A-E. This means that it was harder to get an “A” in a school filled with academic students and easier to get one in a school with less academic students. The new system works on “benchmarks of achievement” or “criteria” such that what makes an “A”, “B”, “C” etc is predetermined. Any student then who shows evidence of meeting that level deserves that grade.

This is where we consider the difference in what a “Working With, Sound or C” really means:

• A “Working With, Sound or C” no longer means that the student is simply in the middle of the class, it means that the student has met the criteria for a learner at the appropriate age level.
• A “Working With, Sound or C” means that the student is doing everything required at their Year Level.
• The best description is that a “Working With, Sound or C” means the student’s academic development is exactly where it needs to be – A “Working With, Sound or C” is ON TARGET or AT YEAR LEVEL STANDARD.

With all of this in mind we must accept that it may be harder to get a “A” or “B” than it used to be. These grades are no longer awarded simply to the top students in the class; they are only given to students who show that they are independently capable of working beyond the criteria for their Year Level.

So what does all this mean?

• Many parents are likely to see more “Working With, Sound or C” grades on their child’s report cards.
• The “Effort” grades are a really important reflection of whether the student is achieving the best they can
• An “A” for effort and a “C” for achievement indicates that your child is “On Target” for their age and “applying their best effort”. This grade should be celebrated with students because they have worked hard to be where they need to be.

New School Hat

As mentioned at the August P&C Meeting, in an effort to increase the number of students wearing hats, the Sun Safety team at school proposed we investigate a different style of hat. The House Captains researched a variety of options and suggested the reversible bucket hat pictured below. We have surveyed students in Years 5 and 6 to ascertain whether they would wear the hat and over 95% of students indicated that they would.

The hat is sun safe, durable, washable and adjustable, which will be very useful for sports activities. It will come in house colours on one side and either royal blue for Years 1 – 5 and navy blue for students in Years 6 and 7 to signify their senior position in the school (the Prep hat remains the same). We will introduce the new hat in 2014. Children can wear their existing hat until it needs to be replaced. It is anticipated that the new hat will be slightly more expensive than the existing hat.

Measles outbreak: We have notification that there is an outbreak of measles in the school. There have been measles outbreaks occurring in Queensland and other states during 2013, with young children and school-aged children infected. Measles is a highly infectious disease that can cause people to feel very unwell. It can cause complications such as middle ear infections and more serious complications such as pneumonia (lung infection) and encephalitis (inflammation of the brain). Severe disease, including deaths, can occur mainly in children under five years of age. Complications are more common and more severe in people with a chronic illness and very young children. Approximately 60% of deaths from measles are associated with complications, especially pneumonia in the young and encephalitis in adults. The virus is spread from an infectious person during coughing and sneezing or through direct contact with secretions from the nose or mouth.

Unvaccinated children and staff will need to be excluded from any early childhood education and care service where a measles case has been confirmed.

The Queensland Health [Urgent public health alert for schools and early childhood education and care services regarding measles outbreaks](http://www.health.qld.gov.au) provides information for parents about the disease and how to reduce the risk of their children being infected.
Have a great week,

**POOL MAINTENANCE**

**NO ACCESS** is permitted to the pool grounds this Sunday 10th November and the following Sunday 17th November due to Asbestos removal under the grandstand. Thank you.

**FROM THE P&C PRESIDENT**

**Tuckshop volunteers needed**
At the end of this year we will be losing 9 regular tuckshop volunteers whose children are graduating. The tuckshop provides a great service to the school community and while we do have 2 part time paid convenors they rely heavily on volunteers to make and serve the food. Please consider being part of the roster – a couple of hours once a month or when you can fit it in. Please email Carolyn Kong kongs@bigpond.com.au if you can assist.

**P & C Meeting**
The final P & C meeting for 2013 will be held Tuesday 26 November starting at 7pm in the library annexe (please note the change of date from Wednesday to Tuesday). Everyone is welcome and this will be our opportunity to say thanks to both Kaylene Proud (Vice President) and Tamara Cummings (Treasurer) as they leave the school at the end of the year. In future I plan to list the topic of the month so that the school community knows what we will be discussing. Those on the P & C email address book list receive copies of all relevant reports and documents. If you would like to be added to the list please let me know.

**Spellathon**
Please encourage your kids to learn their words and find family and friends to sponsor them. Children will be tested next week 18 - 22 November (week 7) on their set words. Sponsorship forms and money need to be returned by **Monday, 26 November**. Thanks to Helen Stuart for co-ordinating the Spellathon. Any questions please contact hestuart@tpg.com.au

**Music Support Group – President needed for 2014**
The Music program at WHSS is highly regarded and students achieve amazing results such as the recent Music Fest Gold Awards. The Music Awards night will be held on **Wednesday 20 November**. The Music Support Group (MSG) is strong and has a number of members. They do need a new President as Jenny Hotschilt will leave the school at the end of the year when her son graduates from Year 7. The current committee members do a fantastic job. The P & C does need someone willing to take over the role of MSG President. This is not a difficult role and is assisted by the other committee members. The role does require chairing a monthly MSG meeting and writing a short report for each P & C meeting. If you are interested please contact Jenny for more details about the role peterjenny.hotty@gmail.com

**No ‘Harmonies on the Hill’ in 2014**
At the October P & C meeting a discussion took place about whether it was viable to hold our biennial ‘Harmonies on the Hill’ fete next year. Currently the Year 1 classrooms are located on the bottom oval, it is anticipated that the new Year 1 building will be constructed next year and access to the upper oval would be difficult to locate rides for the fete. As a result it has been decided to postpone Harmonies until 2015. The P & C is looking at a number of other smaller fund raising events and more details will follow before the end of the year. We know the school community looks forward to Harmonies and we know while this may be disappointing there will be other opportunities to be involved at WHSS in 2014.

Have a great week.

## CAPTAINS’ CORNER

Hello and welcome to another week at Wellers. It’s hard to believe we are almost halfway through the term and the end of year is soon approaching. Congratulations to all the ensembles who competed at Musicfest throughout last week as they all achieved highly and did a fantastic job. We wish good luck to all the students who are competing at the Met East aquathon trials this weekend. This is a very tough event and these students are training hard for it.

Great job to everyone who played their last game of Interschool Sport this week. Everyone played well and had good fun.

Cheers,
Archie and Arabeth

Wellers Hill SS has entered a hockey team in to an invitational tournament at Moreton Bay College, next Thursday 14th November. 13 students from Wellers Hill are participating which is made up of ten girls and three boys. This is the very first time Wellers Hill has put together a hockey team which is very exciting. We are lucky to have quite a few talented players amongst our students this year so we head off to the tournament with high hopes! We wish all of the players involved the very best of luck.

**Swimming Carnivals Information**
Prep Swimming Day – 18/11/13 – 9-11am. Fun activities for preps in class groups. Timetable to be released next week.

1-3 Swimming Day – 19/11/13 – 9am-1pm. Races and activities in year levels. Races in morning session (9-11) and novelty events from 11:30-1. Students will participate in novelty events in small groups and in short sessions to limit sun exposure and for safety reasons. Students decide on the day whether they will swim across the pool or 25metres in freestyle, breaststroke and backstroke.

4-7 Swimming Time Trials – 25/11/12 – 5:30-8pm. This event is staged outside school hours and is run with the assistance of the Wellers Hill Swim Club. The event is used as a base for selecting students for district trials in 2014 and for age champions. The event is open to any students turning 9 in 2013 up to age 13 – including Year 3 students. There are 50 metre events only across the four main strokes. All students are welcome to nominate and even if they’re not swimming are encouraged to come along and support their sports house! A BBQ and canteen will be open on the night. Nominations will occur in class. If you are not planning to swim at the event please do not nominate as it will only mean extra data entry that won’t be required!

**Super Sprints**
Year 4-7 Super Sprints – Monday 9th December – 9-11am

- One last house event for 2013, where participation and fun are more important than winning and losing!
- All students in year 4-7 must participate in one 25 metre freestyle race.
- Students compete in year levels (not age groups) and compete for house points.
- Students will be placed into heats with other students in their year level with similar ability.
Summer is almost here! So it is more important than ever to protect ourselves from the Sun. Everyone remembers “Slip, Slop, Slap!” But did you know two more domains have been added? “Seek and Slide”.

I’ve been working with the years 2, 3 and 4s reminding them to ‘Slip on a Shirt’; ‘Slop on Sunscreen’; ‘Slap on a Hat’; ‘Seek Shade’; and, ‘Slide on Sunglasses’. We even talked about a sixth domain ‘Slurp Water’. The children are very receptive to the message and understand why it is so important they wear hats in the playground and sun shirts while they swim. Teachers are great at reinforcing the message, consistently wearing hats and other protective clothing while on duty. At the upcoming swimming carnivals, it would be great to see parents strengthening the message with their own example of “Slip, Slop, Slap, Seek, Slide!”

**Just a few reminders for Friday Night Swimming Club & general news:**

1. We will be taking nominations for Swim Club captains this week & next, so if you're interested please write your name on the whiteboard. We need one boy & one girl who are either in grade 6 or 7 this year.

2. On-line nominations are back up & running, so this is a good opportunity to nominate during the week to avoid the long queue & having to get there so early.

3. Because of a few recent safety issues, there will no free swim before Friday night racing starts.

4. Children should not be at the pool after school without parental supervision. It is not the responsibility of the coaches to be minding or watching the children before their lessons commence.

5. If there are any school parents who are electricians & would be interested in quoting on fixing the flood lights around the pool area, please either let one of the committee members know on Friday night or contact us through our website.

**Hope to see you all on Friday night.**
