
FROM THE PRINCIPAL

Dear Parents and Community Members

This week brings us to the end of Term 2. Term 2 is always big for the students and teachers with sport, music, and dare I say – NAPLAN. I think everyone survived the term and is looking forward to the vacation.

Next term will be a big one as well, with Harmonies on the Hill being held at the end of the third week. The hard working team on the Harmonies committee has been tirelessly preparing for the big day. Thank you to the committee and to all of the parents and staff who have volunteered to run events on the day. It is a big effort.

We also farewell two staff members at the end of term. Kim Allison from prep is leaving us to have a baby. We wish her a restful time before the baby arrives and that she has a safe delivery. We also farewell April Sloan our PE teacher. Many thanks to April for filling in during Nathan Munro’s absence. We wish you all the best for the future. Nathan will be returning to the school at the start of Term 3.

To all of our parents, thank you for your support of the school over Semester One. Without your support we couldn’t do what we do. Thank you to the students, what a great group of kids! Finally thank you to the members of the P & C Association and the IPS School Council, your support is invaluable in helping ensure the school continues to perform at such a high level. I am extremely proud to work as Principal in such a magnificent school surrounded by such a wonderful and supportive school community.

Have a great vacation.
Kind regards
John

Removal of Demountable Buildings

The demountable buildings on the lower oval will be removed during the first week on the school vacation. It will be wonderful to get our oval back after a long two years.
**School Signage**
New school signs have been erected on the Weller Road / Toohey Road corner and at the Chamberlain Street entrance to the school. Over the next couple of weeks “You are Here” and directional signage will also be installed in the school to assist parents and visitors in finding their way around. New signage has also been installed on the front entrance wall of the new Toohey Road entrance, welcoming parents and visitors to our school. The message in Japanese at the entrance mirrors the welcome message in English.

**Chaplaincy Week**
Thank you to all of our parents and students for supporting Chaplaincy Week. The Chaplain’s Report will follow in this newsletter, however I thought I would share a photo that was sent to me this week. Mr White is a good sport and thoroughly enjoyed participating in the “I’m A Teacher – Get Me Out of Here” competition. Good on you Mr White!

**Air Conditioning Update**
A/C will be installed in the Year 5 and the Year 3 Block during the first week of the school holidays. This is much needed for heat and noise. The installation of the A/C is a joint project between the P & C Association and the school, with the support of the P & C in providing 50% of funds greatly appreciated. A special thank you to parent Jana Novak for searching for quotes and looking at specifications for us.

**FROM THE P&C PRESIDENT**

**Many Thanks!**
Term 2 is always a busy one. We need to say a huge THANK YOU to all those involved in educating our children. The classroom teachers, specialist teachers, teacher aides, administration and support staff all work hard to ensure our children receive the best education possible. We often don’t realise the many hours of their own time spent planning lessons, marking homework, writing report cards or attending events such as the school disco or music night. On behalf of the P & C I would like to express our sincere thanks to all the staff at WHSS and wish them a relaxing holiday.

**Volunteer urgently needed to co-ordinate catering for WHSS Class of 1965- 50 Year Reunion**
The graduating class of 1965 at WHSS are holding their 50 year reunion on Saturday 12 September in the hall at school from 5 – 10pm. They would like to have finger food and drinks followed by a BBQ dinner. They are offering this as an opportunity for the P & C to raise some funds and also offer a community service by catering for their reunion. The P & C needs a volunteer or small group willing to co-ordinate the catering. We would then need a small group to cook and serve the food. It is anticipated there may be 60 – 80 of the 120 past udents who will be able to attend.
If you think you could co-ordinate this project or find a friend to help out please contact me ASAP and I will be able to put you in contact with Rob who is organising the reunion narelle@cooleyfamily.com.au or 0414 835 359

**Harmonies Updates – SAVE THE DATE FOR 2 AUGUST**
Keep an eye on the newsletter, parent rep network and Facebook for details of bring in days, donations and opportunities to volunteer. Thanks to the organising committee for the great work they are doing to make our fete a reality. Many volunteers are need to ensure this is a huge
success. Harmonies is the P & C’s largest fund raising event and it has been 3 years since the last one. The fete committee can be contacted by email details below

**New Junior Playground**
In late 2013 a new Junior Playground was ordered. Unfortunately due to the fire and construction of the new Junior Learning Centre this playground has been in storage. Now that the building is complete and has been handed over to the school the playground can be installed. The old wooden playground near the Chamberlain Street entrance will be removed and the new playground installed. This should take place starting in the first week of Term 3.

Wishing all of the school community a relaxing holiday and safe travels if you are going away.
Regards Narelle Cooley

CHAPPY WEEK
What a great Chappy Week we had last week! Classes competed for the coveted Pizza Party, there was a “Guess the Snakes” counting competition, 2 separate lunchtime Discos, a Free Dress Day in Jungle theme, a special Staff Morning Tea and of course the big finish at Parade on Friday.

We raised $9914.50! An astounding result!

I am so very appreciative to the Wellers Hill community, for your generosity and support. This result means that the current arrangement of three days a week will be sustainable for the coming year, in addition to which I will be continuing to give an extra half-day voluntarily each week. I am deeply grateful for the many expressions of support and affirmation I have received, and count it as a privilege to serve the school community by providing pastoral care to our students, staff and families.

I wish to thank the following people for their invaluable assistance last week – Maria Marentes and Megan Madden, Mr Paul McDonald (past parent and LCC member) Mr Derrick Griffin, Narelle Cooley, Vanessa & Jessica Coppard, and Deanne McDonald. The MATES group were also a tremendous help.

However I do need to single out Mr White for special mention for having gone well and truly beyond the call of duty last Friday, sacrificing his dignity once again in support of chaplaincy. I strongly suspect that his job description did not include being prepared to plunge his head into a bowl of slop, but in the interests of good sportsmanship, he took one for the team! Thank you Mr White – you gave us all a laugh and your commitment is more than impressive!

As I complete my 10th year as chaplain at Wellers Hill this year, I want to thank each one of you who has supported the chaplaincy program, and look forward to wholeheartedly continuing to serve this school community.

We are urgently seeking support from businesses that are interested in contributing to our fete by way of sponsorship or donation. Sponsorship comes in many different packages – from sponsors wishing to provide cash to cover costs & outlays of stalls or for hire of equipment to sponsors wishing to donate goods or services for stalls or raffle prizes.

You may know, own, run or be employed by a business that may consider supporting us. You could also start by talking to your family and friends – they may be happy to get involved in supporting our school community and help raise necessary funds for our school.

Anybody can help! Simple actions like asking a business that you regularly visit and have a connection with (hairdresser, café, shops, toy shops, chiropractor, restaurants, beauticians, newsagents etc.) may help in getting vouchers, gift baskets or other donations for raffles, auction or stalls.

We greatly appreciate all the help and support we get – it shows that our fete is a fabulous community event, connecting people.

AUCTION

For even more excitement at the fete, we are planning to hold a silent auction and are looking for some great items to auction off. Please consider becoming a sponsor & providing an item for the auction or simply donate an item for the auction without a sponsorship arrangement.

Please contact Rosie at rosemary.stead@gmail.com should you wish to find out more about sponsorship options or to donate a raffle prize or auction item.

RAFFLE

What would a fete be without a raffle?! Please consider becoming a sponsor & providing a raffle prize or simply donate a raffle prize for this stall without a sponsorship arrangement.
****** A very special Thank You to all our Platinum Sponsors for their generous support ******

Our Platinum Sponsors help us to make our fete a great success and we value each and everyone’s contribution.
