FROM THE PRINCIPAL

Dear Parents and Community Members

I am packing the desk today and handing the school over to Louise for the next week and one day. Sue and I are heading to Japan tomorrow to celebrate the wedding of a student who was our homestay child sixteen years ago.

This is very special for our family and demonstrates the depth of relationship that can be developed through participation in the school’s Japanese Homestay Programme.

In my absence Louise Hart will be A/Principal and Anna Gojkovic will be A/Deputy Principal. Jack White is also not in the school this week, seconded to the Queensland Curriculum and Assessment Authority for Core Skills Test marking. Jack will also be away next week on Long service Leave.

Enjoy the remainder of the term and have a safe and happy vacation.

Kindest regards

John

Self-Determined Review.
Mr Tom Robertson and Mrs Pam Hall from the Queensland Educational Leadership Institute (QELi) completed their review of school operations last Monday. A verbal report was provided to the staff, with a written report to be provided to the school following the vacation. Overall I am extremely happy with the outcome of the review, with the school being assessed against the nine domains of the National School Improvement Tool (NSIT). The NSIT is available in the documents section of our web page for parents. Once the report has been presented to the school I will make it available to the P & C, the School Council, and to all parents on the web site. The report contains commendations as well as school improvement strategies.

Teacher Aide Day
Yesterday we celebrated National Teacher Aide Day at Wellers Hill State School. However, we have taken the bold move to rename our Teacher Aides. Our Teacher Aides will now be known as Education Assistants. The name change was taken to reflect the changing role of the Teacher Aide, as they are now an integral component in the whole school improvement strategy. Our Education Assistants are also highly trained in a wide range of areas and the name change reflects the responsibility they carry in their positions. Please join with me in congratulating and thanking our Education Assistants for the outstanding work they do.

Father’s Day Stall
A big thanks to Deanne McDonald and her team of helpers for organising and serving on the Father’s Day Stall. There were plenty of gifts for the students to buy for their Dad and/or Grandpa. We appreciate all the hard work that goes on behind the scenes in the lead-up to the stall. The items need to be purchased, wrapped and priced ready for sale. This is a wonderful service offered to the families at WHSS and well attended.

Disco Thanks
The second of 3 school discos for 2015 organised by the Sports Support Group (SSG) was held on Thursday night 27 August. Thanks to Leanne Cleary (SSG chair), the SSG members and parent volunteers who supervised in the hall, escorted students to the bathroom, cooked kebabs and sausages, sold drinks, glow sticks and lollies. The disco was fun for the kids and also raised nearly $2000 for the SSG. Great work to everyone involved.

P & C Meeting
The general meeting for September is next Wednesday 16 September (moved to fit in with the school holidays) at 7pm in the library annexe. Everyone is welcome. It was good to see some new faces at the last meeting. Why not come along and see what happens?

CAPTAINS’ CORNER

Many students participated in the Talent Showcase last night at Holland Park State High School. It was a great success and all the acts were brilliant. In the past few weeks we had the Taiko drums perform. The performers were very skilled and had obviously been doing it for a long time. Last Wednesday we had Grandparents and Special Friends Day. We hope everyone who attended had a great time and enjoyed the experience. We hope everyone has a safe and happy holiday.

Please ensure the school has up-to-date information regarding emergency contacts so that you can be contacted promptly if required.

**SPORT NEWS**

**Swimming in Term Four**

PE lessons move back into the pool in week one of term four so here are a few reminders of how swimming lessons work and what you need to be prepared. Students must have swimmers, sun shirt, cap, towel and a bag to put it all in. Goggles are recommended as they will prevent sore eyes and help you swim in a straight line. All of this gear must be named and it is advisable to wear sunscreen on the day of your lesson. Lessons for all grades will start in week one except for Preps who will start in week two.

For parents: find out what day and time your child’s swimming lesson is on to see if you can help out on the day and most importantly remind them to pack their swimmers for that day. For prep classes it would be ideal to have four parents in the water and a couple out of the pool. I prefer with grades 1-3 that there are a minimum of three parents at a lesson with at least two being in the water to assist. With the upper school one-two parents on the pool deck is sufficient. I understand that parents are extremely busy but even if you make it to one lesson in a term I am sure your child will appreciate that you went to watch them swim and it will help share the load around the rest of the parent group.

This term all students from P-6 will be taking part in a QLD Royal Lifesaving Program. Students will get the opportunity to achieve different levels based on their ability. They will learn about safety in various water environments, how to rescue and be rescued and swimming techniques. It is important that students make an effort to be swimming at every lesson as it is a short and busy term and new skills are learnt every week. Remember to bring your swimmers and even if you aren’t feeling 100% to at least try to get in the pool and swim because you will feel much better for giving it a go. Students are reminded that three “no swims” without a valid reason may result in an RT visit.

**Met East Aquathlon/Triathlon Trials**

If you are interested in trialling for the Met East Aquathlon (run/swim/run) and are turning 11 or 12 in 2016 please see Mr Munro for more information. If you are turning 13 in 2016 you can try out for the Triathlon (swim/bike/run) team.

FATHERS DAY STALL THANK YOU

Thank-you to those lovely parents and grandparents that volunteered their precious time over the last few weeks to wrap gifts and help serve at the Fathers Day Stall.

Buying, wrapping & selling nearly 2,000 gifts wouldn’t be possible without this help which included 10 mornings of wrapping, setting up and then running the stall for more than 8 hours over 2 days.

Kim George, Michelle Botha, Kerry Cox, Lucy Russell, Helen Stuart, Jenny, Gail Kirkman, Jane Holmes, Simone Flint, Gaylene Francis & Janet Evans gave their time and patiently wrapped and priced nearly 2,000 gifts after drop-off in the mornings. Well done!

Thanks also to those volunteers that set-up and/or served at the stall – Kerry Cox, Kim George, Michelle Botha, Helen Stuart, Jenny, Madonna Stewart, Gail Kirkman, Megan Connell, Merissa Ryan, Amanda Sydney, Stacey Shields, Jodie Warrell & Tracey Baddiley.

Sue & Paul Newton cooked and packaged some great home-made fudge which were well sought after presents. We’d also like to acknowledge and thank Valya & SACCs for the use of their room for wrapping as well as working around our stall location and the admin team, teachers and parents for supporting the stall again this year.

We hope that all the Dads and Grandads enjoyed a special Fathers Day.

Fiona Pearce & Deanne McDonald

**KIDS MATTER**

Kidsmatter provides schools and families with a range of information to help them support children’s mental health and wellbeing.

To assist in supporting children’s mental health and wellbeing, each month a Kidsmatter topic will be included in the school newsletter. The practical information, tips and strategies provided may be beneficial in supporting children in the home environment. This will also be supported through school staff implementing support strategies in the school environment, as needed.

This month the focus topic will be: Emotional Development

---

**Emotional development: Suggestions for families**

**Understanding and managing feelings**

Children’s ability for recognising, understanding and managing their emotions are influenced by the way they are supported at home. When children learn to express their feelings, they become more independent and responsible. Understanding and appreciating children’s feelings is an important part of being a good parent. Children can get help from school, parents, other family members and sometimes even other children.

**Helpful ways of supporting children’s emotional development**

Listen and validate the child’s emotional experience

Listen to what children say and acknowledge that they have feelings. Children need to know that their feelings are important and understood.

Help children understand their feelings

Help children understand their feelings. “You must be really angry about this” or “It sounds like you’re really upset about it.”

View emotions as an opportunity for connecting and teaching

Children need healthy ways of expressing themselves. Children who are able to express their feelings will be more independent. Help children learn new skills for managing their feelings. Children can learn new skills for managing their feelings. “You might say, “I can always do really really fun stuff about being angry or sad” or “Don’t let your face say ‘ouch’.”

Encourage problem-solving to manage emotions

Help children develop their skills for managing emotions by helping them understand emotions and the effects they have on others. Help children find strategies for managing their emotions. “You might say, “What would help you feel better” or “How can you keep your face happy?”

Set limits in a supportive way

Set limits in a supportive way. Children understand that having limits is a good thing. Sometimes, children may feel limits are unfair, but that doesn’t matter if they feel better. Children understand that limits are there to keep them safe and happy. Children need to know that limits are in place for their own safety. Children need to know that limits are in place for their own safety. Children need to know that limits are in place for their own safety.
**SACCS**

- **September/October 2015 Vacation Care** – September/October 2015 Vacation Care had been released on Monday, **24 August 15** and the early birds booking is now closed. Two of the excursion days are now booked out with 1 place still available on the excursion scheduled on Monday, 21 September.
- **Wednesday, 23 September and Wednesday 30 September** are booked out however there are limited places available on the remaining days. Do not miss out and book now.
- **Extra enrichment activity** – With summer fast approaching there would be many extra enrichment activities on the school ground. Make sure that you advise SACCS on any extra activity your child will be attending by completing an Extra Enrichment activities form.
- **Attendances** – SACCS staff need to be advised about your child/children intended absences – it is very stressful and time consuming for us to locate children who have not arrived as expected to ensure they are safely cared for away from SACCS. For ASC, not advising us before 3 pm will incur extra charges.
- **Current contact information** – Please ensure that SACCS has up-to-date information regarding emergency contacts so that you can be reached without delay if an illness or accident should occur.
- **Please note:** all forms are available on the Wellers Hill SS website. Alternatively hard copies can be obtained from SACCS office.

**SCHOOL BANKING**

The handball and the torch are no longer available to order as reward items.

Please remember that there should be no pooling of tokens. Each child is responsible for earning their own 10 tokens and are electronically monitored by the school banking program.

Did you know that non-school age siblings can participate in School Banking too? They can! Just send in their books attached to their siblings book with a rubber band so they can be returned together.

There is no minimum deposit value for school banking. You can bank a little or a lot. Every deposit made receives a silver token.

If you have 10 tokens and wish to claim a prize, please place your tokens and the coupon for the reward you would like to claim in with your banking on banking day. Don’t forget to fill out your details on the front of the coupon too. If you do not have a coupon card, please come and collect one from the banking ladies on a Thursday morning.

You can become one of our school bankers at any time throughout the school year. A Youthsaver account can be opened at any branch of the Commonwealth Bank or if you are a current Commonwealth Bank customer you can open an account for your child online through Netbank. If you have a Youthsaver account already, you can start banking straight away! Just bring in your deposit wallet and book on Thursday and give it to the class teacher before 9am to become part of our wonderful banking crew.

We are still looking for a new school banking co-ordinator for next year. Please come and have a chat with us in the staffroom if you are interested.

Thank you for supporting the School Banking program at Wellers Hill.
Banking day is Thursday.
Menu Review
We are reviewing our menu for next year. We are always looking for ways to improve what we serve and would appreciate any feedback you have. Please email whsstuckshop@gmail.com with suggestions.

Volunteers
The success of the tuckshop service relies heavily on volunteers, particularly in the morning when we prepare lunches. We realise that many parents work and are short on time but the commitment we need is usually only 2 mornings per term from 9am to 11.30am. There is always a paid staff member with you and we try to make the experience fun and relaxed. Maybe there are grandparents who have some spare time that they could offer us.

In term 4 we have a number of mornings available with no rostered volunteer. If you have thought about helping out in the tuckshop maybe you would like to do one of those mornings to see what happens. Days that are available are Tuesday 4/10, Monday 26/10, Wednesday 28/10, Monday 2/11, Tuesday 3/11, Wednesday 25/11, Monday 30/11, Tuesday 1/12 and Monday 7/12. Please contact us if you are interested.

If you are unable to do your tuckshop roster please contact us as soon as possible. If you would like to volunteer in the tuckshop, our phone number is 3249 1318 or you can call Carolyn (0409 053 742). You can also email whsstuckshop@gmail.com.

Wellers Hill Water Ratz

WELCOME TO THE
2015-16 SWIMMING SEASON
STARTING FRIDAY SEPT 11th

SWIMMING AT WELLERS HILL KICKS OF THIS WEEK!!!
Bring a Friend and Join the Fun: FRIDAY SEPT 11th.
Our favorite Friday night activity is BACK and a little easier than in previous seasons. YES - Friday Night Swim Club Night will be back on during school weeks as of Friday Sept 11th.
The first Friday is "Bring a Friend" and we invite all swimmers and their families to tell your friends to come along and give Swim Club a try and see how much fun we have! It's also a good night for current members to get their arms and legs moving again ready for the swim season.
Entry to "Bring a Friend Night is FREE FOR EVERYONE". The BBQ will be fired up and the carnival will be open.
All abilities and levels are welcome. Nominations for races, are open from 5:45 - 6:15 pm at the pool with racing starting at 6:30 pm. There will be no online registration for the first night and points will not be recorded.
We will have a registration table open on the night to answer any questions and accept club registrations. This season we have changed the club registration for Swim Club to $50 per swimmer or $125 for a family of 8 or more swimmers.
This is still great value as membership now includes a new club shirt and Water Ratz cap. We haven't had a club shirt in quite a while so it will be great to see our team in club colours. Shirts are also available for parents to purchase at cost price. These are available from the carnival. Club membership fees must be paid by week 3 (29th October).
Following Bring a Friend Night we will have a break until after the school holidays, where we hit the ground running on Friday 8th October. Don't miss the fun and join the famous community tradition every Friday.

NEW HEAD COACH APPOINTED TO LEAD WELLERS HILL
Water Ratz welcome Christeen Spencer as Head Coach
We are thrilled to announce the appointment of Christeen Spencer, a highly experienced and dynamic swimming coach with over 20 years of experience to lead our program. We are very excited and we really excited about the swimming season ahead. Please make Christeen and her team feel welcome when you see them around the pool.

LEARN TO SWIM - SIGN ON - SATURDAY SEPT 12th | 8am - 10am in the School Hall
The hugely popular Wellers Hill Learn to Swim program will hold Sign On Day, for Term 4 lessons on Saturday Sept 12th in the School Hall and Thursday 8th October between 8:15 - 4pm at the pool.
Learn to Swim classes (Level 1, Level 2, Level 3 and Transition Squad) are offered Monday to Thursday afternoons after school and Saturday mornings for half hour lessons.
Parents of children in Junior and Senior Squad do not need to attend the Sign On Day. However, parents of Mini Squad swimmers do need to attend.

LEARN TO SWIM ASSESSMENT NIGHT
Not sure what level you should be in?
FRIDAY SEPT 11th | 5-6 pm School Pool
To assist new families to Wellers Hill with determining the level of their swimmers for Learn to Swim classes, Water Ratz are offering a free assessment just before our first Club Night of the season from 5-6pm on the 11th. Swimmers will be able to be assessed by an instructor to ensure parents are confident which level to sign up for at Sign On Day on the 12th. See any committee member on the night who will direct you to a swim teacher for assessment. The committee members will be the ones wearing our new club shirts! Come for an assessment and stay for the fun of Club Night!

JOIN THE WATER RATZ VOLUNTEER TEAM
We need you! Our team of volunteers is keen for fresh faces and ideas to help make the Water Ratz Club even better. We have a number of roles on the committee that are vacant and a number of jobs that need filling. If you have a little or lot of time, we would love to have you join the family.
