Dear Parents and Community Members

The second last P & C Meeting was held last night. Thank you to all of the parents who attend the meetings. Parental input is very important for the overall operation of a successful school.

Sporting Gala Days 2016
Wellers Hill State School will be changing the format of interschool sport in 2016 to bring us in to line with the majority of other large schools in Brisbane. In 2016 we will be moving to the Gala Day format of interschool sport, where students will participate in day long sporting activities with cluster schools at a large sporting venue once per term. This does not mean that Friday afternoon sport will cease to occur. Friday afternoon sport will continue to occur, however it will be conducted at the school and will involve a range of activities including games and skill building activities. The reason to change to the Gala Day format was made due to the following considerations:

- The format will increase on field sporting participation for all students
- The cost of transport will decrease for families
- We frequently have difficulty booking the large numbers of buses required each week for the current format of interschool sport.
- The change will allow for a slight increase of curriculum time each week of the Friday afternoon.

I would like to be very clear however, that this change will not impact on the schools ability to participate in District and State sporting competitions.

Self-Determined Review.
Wellers Hill State School recently participated in a review conducted by the Queensland Educational Leadership Institute (QELi), on behalf of the Department of Education and Training. The review was to evaluate the school against the 9 Domains of the National School Improvement Tool. Every school in the State is required to conduct this or a similar review every four years.
As Principal I am required to provide the Executive Summary of the report provided to the school on the school web page. However, I believe in light of full transparency I have provided the entire report. I have also provided the National School Improvement Tool (NSIT) for parents to read and compare the comments made against each domain with the benchmarks outlined in the NSIT.

I will be discussing the report in greater depth at the November P & C Meeting. However parents are free to email me or phone if they wish to personally discuss any aspect of the report.

**Installation of sprinkler system in JLW Plaza**

An automatic sprinkler system has been installed in the major gardens of the JLW Plaza. This system will operate in the early hours of the morning, three mornings a week. Unfortunately we were unable to install a system that would water the trees in the raised garden beds and we will be relying on hand watering to keep these trees alive.

**MusicFest 2016**

MusicFest is currently happening across a number of venues in Brisbane. So far the Senior Strings, the Senior Band and the Junior Band have performed in the competition. On Sunday the Junior Choir, the Senior Choir and the Vocal Group will perform. Congratulations to all of the children who have performed so far. The results for the competition to date are as follows:

- Senior Strings – Gold Award
- Senior Band – Silver Award
- Junior Band – Gold Award

Congratulations to their conductors Mrs Josephine Price and Mr Andrew Bell for ensuring these students are performing at such a high level.

Have a great week.
Kind regards

---

**EMERGENCY CONTACTS**

Please ensure the school has up-to-date information regarding emergency contacts so that you can be contacted promptly if required.
TRAFFIC NEWS

Parking And Pick Up
Parking and drop-off / pick-up continues to be a challenge at Wellers Hill. It is timely after the opening of the Junior Learning Wing and changes to access points that we remind parents of procedures. Remember that the only pedestrian access on Toohey Road is now via the entrance adjacent to the JLW. The old entrance near the pool is for vehicular access only.

Please ensure that you adhere to the 2 Minute Zone parking regulation on Toohey Road, as this reduces congestion both before school and at 3:00pm and may save you an unwanted parking ticket. Teacher supervision is provided on Toohey Road and the Scout Den until 3:20 pm, and we strongly encourage parents to stagger their pick-up at both venues between 3:00pm and 3:20pm as this would considerably reduce congestion. Another suggestion is to park away from the school and walk to pick up your child/children. This is good exercise and will help keep our children safe.

Parents please note that it is NO STANDING on the left side of Salkeld Street going down from Toohey Rd.

Also please consider our neighbours in Chamberlain Street and DO NOT PARK close to, or across their driveways. Being a narrow street it makes it very difficult for them to enter or depart their properties.

As our school grows this issue is going to escalate unless we are proactive in finding solutions. By adopting the above suggestions it will go a long way to reducing congestion and ensuring children’s safety.

Morning Student Drop Off
Parents are requested not to drop students at school prior to 8:30am. If students arrive at school prior to 8:30am, they are to sit in the undercover area until 8:30am. I have requested that SACCS not release students until 8:30am each morning. If parents have any questions in relation to school arrival times, please contact the school office.

Yellow Lines:
In recent years the Brisbane City Council has created a yellow line (no standing at any time) zone on the western side of Toohey Road, in front of our neighbours driveways to facilitate the ease of movement of these residents. Parents are reminded that should they park in these areas they are not only causing significant inconvenience they are breaking the law and will be fined.

PARK RUN

Parkrun:
Have you ever wondered how you could eat a hearty breakfast of bacon and eggs on a Saturday morning and NOT feel guilty about it? It’s simple – come to Parkrun at Stones Corner any Saturday morning at 7:00 am and go for an energising run/walk and then choose from the extensive number of breakfast eateries in the area to replace the expended carbs! Easy peasy.

Details:
Where: Hanlon Park Corner of Junction St and O'Keefe St Stones Corner
When: (Almost) Every Saturday at 7:00am
Cost: Free

P & C Meeting for 2015
The P & C meeting tonight Wednesday 28 October the meeting will start at 7.30pm (note later start time) due to earlier performances at Music Fest. As a number of Year 6 parents will be leaving at the end of the year it would be good to see some new faces and have more volunteers in 2016.

World Teachers’ Day THIS FRIDAY 30th October – Special morning tea for staff
World Teachers’ Day acknowledges the efforts of teachers in an increasingly complex, multicultural and technological society. It is a day where students, parents and community members can demonstrate their appreciation for the contributions that teachers have made to their community. The teachers at Weller’s Hill State School share their knowledge, give our children special care and attention and inspire them to learn. Not only during the school day but many hours are spent marking homework, preparing lessons, going on camps and excursion. THIS FRIDAY 30th October please say a special thanks to your class teacher – we do appreciate the time and effort they give to educating our children! The P & C are hosting a special morning tea. Please bring a small plate of food and deliver it to the staffroom on Friday morning.

Art Show
As you know the children at WHSS have the benefit of a wonderful and talented specialist Art Teacher, Mrs Carolyn Peisker. Next year is the biennial WHSS Art Show. The tile mural near the entrance of the school was unveiled at the Art Show in 2014. The 2016 Art Show will be held during the winter months at a date to be finalised. Not only is the art work of our kids on display but also local artists may showcase their work. As there are lots of details to plan so that it all comes together just as ‘Harmonies’ did this year. We need an Art Show committee willing to take over the organisation of this event. There are many roles to fill and we do need someone to take charge and run this event. Does this sound like something you could do? Would you just like to volunteer to do a job? I would love to hear from you. We need to form a committee now so that they can meet regularly and work together to ensure the smooth running of this exciting event. Please think about how you could contribute and send me an email. I am happy to hear any ideas and suggestions but most importantly someone or a few people to take over running the Art Show. Maybe you haven’t done anything like this before and don’t know where to start. Why not get a couple of friends and volunteer – there is information and support to assist you. I have only had 3 volunteers and we need more to be able to hold a successful art show!

The 2015 WHSS Spell-a-thon is in progress!!!
This is a significant fundraising event for our school. Spell-a-thon sponsorship forms and word list are being issued to all children. Each year level has a different coloured sponsorship form. There will be a pizza party for the class with the highest percentage of returned spell-a-thon sponsorship forms. All children who return their spell-a-thon form will go into a draw for a Toyworld voucher. There will also be Toyworld vouchers for the highest fundraiser in each year level. Thanks to Kathy Bird and Esperanza Martinez for co-ordinating the spellathon.

There were some spectacular hair styles. We look forward to seeing what you come up with next year. We also have Life Education starting on the 18th of November. The Year 5s’ have their first school camp on the 16th. We hope you have great week.

Music Fest
The Music Fest Choral Competition is on this Sunday! Your child plays a very important part! For some, it will be the first competition in their primary music career, for some, their last. At whatever stage, it is a rewarding opportunity for your child to showcase their skill, talent, hard work over the school year, and above all, teamwork.

With this in mind, your efforts in making yourself/your child available on the day and time of the competition will be greatly appreciated by every member of the music program, as a good choral ensemble relies on a delicate blend of voice parts for best results. Your child is important!

FROM THE CHAPLAIN

REQUEST FOR SECOND HAND SWIMWEAR

Hi everyone,

I keep a supply of second hand swimwear in my Chappy Room for the use of students who may forget their togs on swimming days.
Unfortunately, my stocks are getting a bit low, especially for medium sized girl's swimwear.

If you happen to have any swimwear at home that your kids may have outgrown or no longer use, I would be grateful if you could send it my way.

Thanks so much,
Stephanie Kennedy
(School Chaplain)

KIDS MATTER

*From the Guidance Office – Mrs Anne Chapman*

**This month’s focus is: Family Relationships**

Care and commitment are at the basis of strong family relationships. Some families seem to pull together easily, while for others it takes a greater effort. To build strong family relationships, start by identifying the strengths and appreciating them. Paying attention to the things that work well and building on them will help to strengthen your relationships.

The following suggestions may be useful reminders:

- Make the wellbeing of family members a priority: by spending regular time together, showing warmth, celebrating even the little achievements and separating work time from family time.

- Tune in: one way to show you care is by listening to what other family members have to say with interest and enthusiasm.

- Acknowledge how family members feel: this shows that you are able to accept others’ feelings even if you may not agree with them.

- Show respect: for what is being said and in the way you talk about your own feelings and needs.

- Appreciate differences: family togetherness does not mean everybody has to be the same or always do the same things. Everyone is different so it helps to value and respect each family member’s unique needs, wants and talents. Try to avoid negative comparisons. Affirm what each individual has to offer as this helps to build strong family bonds.

- Share values: having common values strengthens the sense of belonging and helps families work together. Discuss beliefs and values; tell stories about your own family and cultural history; and demonstrate values such as respect, care, compassion and responsibility.

- Set an example: children are influenced by what you do even more than by what you say. For example, if you want children to speak in an ‘inside’ voice (or soft voice) with their siblings, then it helps for them to hear you also speaking in an inside voice with them and others. Let them know what you expect of them and establish clear boundaries.

- Send clear messages: match what you do with what you say to avoid giving mixed messages. For example, if you set a bedtime but then allow children to extend their bedtime when they ask for it, then children may become confused about family rules.
• Make time to talk: regular time for talking to one another helps families to plan and set priorities, strengthen relationships and build mutual understanding. Spend time talking to children about things that interest them. Follow their lead and give them space to talk or be silent. Taking a few minutes to talk with children after school or before bedtime, and making time for adults to ‘check in’ with each other, is important for building connections and cooperation.

• Talk about the good things: spend time talking about shared family memories, what is good about your family and what you like about each other.

• Have family discussions: these are often very helpful ways of resolving conflicts and maintaining positive relationships. Make sure everyone gets a turn to share feelings and thoughts and contributes to finding solutions that can work for the whole family.

• Have fun together: spend time doing things you enjoy as a family. Doing simple things that allow you to relax and play together is very important for building positive feelings and connections among family members. Playing games or sports, going to the park or on picnics, visiting friends or finding ways to relax together are examples of family activities that help to build relationships.

• Family rituals: can help to build a sense of connection and belonging. These may include family celebrations that happen once a year, as well as everyday activities like bedtime stories, morning cuddles or cooking a special meal together once a week. Having family rituals that you enjoy together helps to create strong family bonds.

• Include children in decisions: when people have a say in the decisions that affect them, it helps them feel that what they think and want are important. Offer choices to younger children to help them begin to develop their decision-making and problem-solving skills.

• Problem solve: teaching problem-solving skills helps children learn to manage conflicts with siblings and other family members or friends. In a sibling conflict, this is more helpful than a parent or carer getting involved as children may feel that the adult is taking sides and have a sense of things not being fair.

• Be present: by providing comfort, love and care. Do things for one another without being asked. Check in with family members to see how they are going.

• Share the load: family life can get out of balance when one person feels that they have all the burden of responsibilities. Support each other by sharing the responsibilities (eg chores).

• Take care of yourself: before trying to look after others. When you are feeling good about yourself, rested and calm, then you are more likely to be able to attend to the needs of other family members. For more information on taking care of yourself, have a look at our information on positive mental health for parents and carers.

2015-16 CLUB CAPTAINS ANNOUNCED

Our Club Captains for 2015-16 are Jemma Wilson and James Roe. CONGRATULATIONS!!

Don’t forget to like us on Facebook – Wellers Hill Water Ratz
We need your help please!

Can you count? Can you spot hidden foreign coins amongst Aussie ones? Do you like to see our students saving for the future? Can you put a smile on a super savers face?

If you answered yes, you would make an excellent school banking helper!

We are still seeking a volunteer to help with the school banking next year. You do not need any banking experience, it is a very simple way to help the school community. If we do not find a new co-ordinator/helper by the end of week 5, we will unfortunately have to look at closing the program at Wellers Hill.

Job Description

- Thursday morning 8.45 – 9.45am – Count the money in the deposit wallets of the school bankers. We have an awesome school Mum who has kindly offered to continue her services next year so you will automatically have an extra pair of hands to help. Obviously the more helpers you have, the quicker the job.

- Take the money to any Commonwealth Bank branch and deposit it through the fast deposit box.

- Enter the deposit amounts for each child and order reward items for the super savers. This is all computerized and completed online. (Takes around 30minutes)

- Compiling an article for the school newsletter each fortnight.

We would love to meet anyone interested in filling this rewarding role. We are able to walk you through the processes in term 4 so that you can learn the ropes and we are able to answer any questions and queries you may have. Please come and meet us on any Thursday morning in the staffroom beside the school office. If you would like to talk to me at another time I can be contacted on 0439 463 161 (Kym).

Hello School Bankers! Please take the time to have a look at the prizes that are available to order in term 4. If you do not wish to order one of these prizes, you may keep collecting your tokens and your token tally will be rolled over to next year.

There is limited stock available of some of the 2014 reward items:

- Galaxy Glider
- Outer Space Savers Money Box
- Invisible Ink Martian Pens
- Intergalactic Rocket
- ET DVD
- Shark Key Ring
- Scented Pencils
- Swimming Bag

All reward items are available while stocks last.
Menu Review
We are reviewing our menu for next year. We are always looking for ways to improve what we serve and would appreciate any feedback you have. Please email whsstuckshop@gmail.com with suggestions.

Volunteers
The success of the tuckshop service relies heavily on volunteers, particularly in the morning when we prepare lunches. We realise that many parents work and are short on time but the commitment we need is usually only 1 morning a month from 9am to 11.30am. There is always a paid staff member with you and we try to make the experience fun and relaxed. Maybe there are grandparents who have some spare time that they could offer us.

To provide the optimum service ideally we need 32 volunteers, one morning per month. This year we have 22. This means that the paid convenors are required to work more hours to cover the shortfall. PLEASE consider becoming a tuckshop volunteer in 2016. Contact us at the email address or phone numbers listed below. Thanks!

If you are unable to do your tuckshop roster please contact us as soon as possible. If you would like to volunteer in the tuckshop, our phone number is 3249 1318 or you can call Carolyn (0409 053 742). You can also email whsstuckshop@gmail.com.
Volunteer Update:

Thank you very much to the mums that have offered to volunteer on a Wednesday afternoon. The shop now has enough parent helpers to get through to the end of the year.

The Uniform Shop would also like to thank Jodie, Julie, Kimberley, Peta & Michelle for their help in the shop on Prep Orientation Day. They did a fantastic job.

Please still consider helping in 2016 - it seems a long way away but the shop will be busy from the start of the year (we open the week before school commences and the first day of school). Check the school website for opening times or email the shop at uniformshopwhss@gmail.com. The shop will need help in those early days and weeks next year.

The uniform shop sells swim caps for $5.50 and waterproof drawstring swim bags for $9.00.
