FROM THE PRINCIPAL

Dear Parents and Community Members

Welcome to another great year at Wellers Hill State School. I would like to offer a special welcome to new parents joining our school and also welcome our 131 Prep students who had their first full day on Tuesday. Our school has strong traditions and values built on a foundation of community support. I encourage all new parents to join in and participate in the wonderful school community that is Wellers Hill.

Enrolments

We have still not finalised our enrolments for 2017, however we currently have 910 students enrolled across the school from Prep to Year 6.

Family Fun Night

The Family Fun Night will be held at school on Friday 24 February 2017. This is a great fun night of entertainment and food for students and their families. It is also a night where we encourage parents to get to know each other and make new friends. Please join with us as I am sure you will have lots of fun.

P and C Meetings

P and C Meetings are held in the school Staff Room every 4th Wednesday, commencing at 07:00pm. All interested parents and community members are invited to attend. The P and C Meetings generally conclude at 09:00pm.

School Parade

The first parade for the year will be held this Friday, commencing at 09:00am. All students will be attending the parade including the prep students. Parents are invited to stay and watch parade.

Newsletter

The school newsletter will be sent home on a fortnightly basis, with the first full newsletter being sent home next week. The newsletters, while a little long, are very comprehensive and provide a great insight into the happenings around the school.

Tuck-Shop

Tuck-Shop commences this Friday. With such a large school, the ladies in the tuck-shop; Caroline, Ros and Kimberley are run off their feet. Any assistance from parents is greatly appreciated. Grandparents and other interested people are also welcome to join with the tuck-shop crew. Please contact the tuck-shop if you are interested.

Thank you once again for choosing Wellers Hill State School. The admin team, teachers and support staff look forward to working with you throughout 2017.

Kindest regards
John L. Webster
Principal
