FROM THE PRINCIPAL

Dear Parents and Community Members

This week we can celebrate as the hall is almost ready for school use. The Hall Committee and the P & C Association have done a fantastic job in renovating a tired space. The renovated hall is light and airy and has a significantly improved sound system and a permanently installed data projector. The installation of the sports flooring will occur at a later date in Term 4, with the final completion of the hall done ready for Year 6 Graduation on December 6.

P and C Meeting
The August P and C Meeting will be held on Wednesday 31 August instead of Wednesday 24 August.

My Absence This Week
I am a member of the Queensland Association of State School Principals Executive Committee and also a member of the 2016 Combined Queensland Principals’ Associations’ Golden Jubilee State Conference Committee. This week is taken up by executive meetings and the State Conference. I will be absent from the school Tuesday to Friday this week.

Japan Business Tour
I will be travelling to Japan on 10 September with Mr Taku Hashimoto. Taku and I will be meeting with the following organisations during our time in Japan:

- Ricoh Japan and the Ricoh Innovations Centre
- Representatives from the Yasugi International Exchange Association
- Queensland Trade and Investment Commission Tokyo
- Shirane Iino Elementary School
- Japan Foundation Tokyo
Our visit to Japan will strengthen our links with the above organisations and provide significant benefits for our school locally and when we take students to Japan.

Have a great week.

Kind Regards,
John

FROM THE P&C PRESIDENT

P & C August general meeting and workshop next Wednesday evening
In June the P&C executive held a workshop to review the way the P&C is organised and run. The objective of the workshop was to developed a shared vision for the P&C and reach agreement on an appropriate governance structure, determine what needs to happen to operationalise the new structure and future proof the P&C services; and commit to set of actions to facilitate and embed the changes.

The review is being facilitated by Rebecca Muldoon, who is an organisational consultant. The second of these workshops will be held next Wednesday 31 August and will continue the discussion started back in June. A short general P & C meeting will be held at 6.30 pm (note the earlier start time) with the workshop to follow at 7 pm. As part of this ongoing process the P & C wants to engage with everybody who is involved in delivering the P&C services, including sub-committee members and employees. It would be great to have as many of you all there as active participants of the P&C to help shape its future.

Fathers’ Day Stall
Students can buy their Dad and Grandad a special present at the Fathers’ Day Stall next week. Gifts are either $3 each (limited supply) or $5 each.

Date       Wednesday 31st August
Time       8am to 2.30pm with classroom visits from 9am
Place      Alcove behind the Tuckshop

The stall will also be open before school on Thursday 1st September from 8.15am to 8.45am.

Thanks to Deanne McDonald for co-ordinating the stall and all the hard work of her team wrapping the gifts. Volunteers are needed to help serve at the stall on Wednesday 31st August and Thursday 1st September. If you’re able to spare an hour please contact Deanne McDonald on 0422 632 951 or email sdlcmcdonald@optusnet.com.au if you can help.
WHSS Celebration of Art
In 3 Weeks time!!
Saturday 10th September 6.00pm – 9.00pm – Cocktail Party
Sunday 11th September 10.00am – 2.00pm. – Family Gallery & Workshop Day

Information has been sent home via parent reps and can be found later in the newsletter. There is a call for donations of:
* art materials
* Soft drinks in cans and poppers, pop tops in packs.
* Cake and Sweet Stall Donations

Please also consider volunteering some time to help. The Art Show committee have been doing and amazing job and we look forward to this great community event.

Executive members needed
The Parents and Citizens’ Association (P & C) is a group of community minded people, parents and citizens, who take on a more formal role to assist the school in providing:
* feedback on school policies and activities
* additional resources to be used to enhance student learning
* parents with opportunities to be involved in their children’s education

The Wellers Hill State School P & C motto is ‘It’s all about the kids’.
The P & C executive has an important role and currently consists of 5 members:
President – Narelle Cooley
Vice Presidents – Sallie Battiste, Chris Savage
Treasurer – Mark Molesworth
Secretary – John Holm

P & C members are elected to these positions at the Annual General Meeting (AGM) held early in 2017 and serve in an honorary capacity.

At the end of this year after a 10 years at WHSS and 5 years as P & C President I will ‘graduate’ when my youngest son in Year 6 leaves. The executive is looking for some new members perhaps in the role of vice president (we have had between 2 and 3 over the past few years) or as treasurer (this is a good role for anyone with some finance background). Last year the P & C employed an operations manager Melinda McVie who has been a great support to the executive and sub-committees.

If you would like to be involved as a member of the executive next year please contact any of the Executive directly or simply ask us at the next general meeting next week. This will assist in forward planning and ensure all roles can be filled at the AGM. More details on the role of the executive members can be found at http://www.pandcsqld.com.au/pc-resources/executive-roles/

Any questions please email me narelle@cooleyfamily.com.au

Narelle Cooley

TRAFFIC ACTION GROUP: Next meeting Wed. 31\textsuperscript{st} August 6:00pm (before the P&C Meeting)

School traffic management plan

Parking and traffic around the school including illegal parking, safety around parking areas and the operation of schools 'drop 'n' go zones', have been raised as a concern on many occasions by school staff, parents and community members.

The T.A.G. (Traffic Action Group) recommended that we develop and implement our own traffic management plan (TMP). The TMP will communicate the school’s policies and practices around traffic management to staff, parents and the school community, and assist the school to proactively identify and resolve any issues.

How TMPs work

A TMP will enable us to develop a managed approach to our traffic issues. This initiative complements other Brisbane City Council and Queensland Government programs, such as the Active School Travel program which operated at the school in 2010 and 2011.

The Plan will

- identify current traffic management arrangements
- identify common problems and find solutions
- develop an action plan to address issues.

TMPs are intended to benefit schools, students, parents, caregivers, motorists and surrounding residents.

Get involved

Come along to our next meeting and have your input into the development of the plan.

Schools which complete the TMP will receive enhanced drop and go signs and may receive driver behaviour monitoring cameras (on request).

Next TAG Meeting: Wednesday 31\textsuperscript{st} August 6:00 pm in the Library Annexe before P&C Meeting.
Talent Showcase: Postponed
Congratulations to those students who have made it into this years’ Talent Showcase!!

Unfortunately, the Talent Showcase, due to be held on Tuesday the 30th of August, will be postponed because of a double booking at the HPHS Hall.

The Dress Rehearsal that was due to be held this Thursday the 25th August has also been postponed until a suitable date has been allocated for the Showcase. This new date will be negotiated as soon as possible. Apologies for any inconvenience this may cause.

Grandparents Day:
Congratulations to Senior Band, Camerata Strings and Junior Choir on a fantastic Grandparents Day performance! Much positive feedback from Grandparents, Guests and staff has been received. Well Done!!

Wellers Hill Celebration Of Art:

SingFest!
This year, Senior Choir will be involved in Singfest! Singfest is an annual massed choral event for State Primary School students in the Metropolitan Region. Over 1,000 students participate in this event each year.

Senior Choir students have been learning the Singfest repertoire in weekly rehearsals. On the day of the event, each school comes together to workshop the repertoire in a massed choir, culminating in a concert at 5.15 pm. This performance is an exciting opportunity for young vocalists!

All Senior Choir students should have received a note outlining the details. If you do not have a note, please collect one from the office and return permission slip/payment/medical form to the office ASAP. It will be a fantastic day of singing!!

Vocal Group - St Paul’s Fete: The St Paul’s Fete, which was postponed last term due to inclement weather, will now go ahead on Saturday the 27th of August in the morning. Vocal Group students please save this date. Full attendance at this event would be much appreciated, however if attendance is not possible due to prior commitments please let Mrs Kristensen know via note/email.

Reminder: All students who are involved in the choirs are expected to gain access to the learning place Choir Album. (See Mrs Kristensen for a note if you do not have one.) Each student has an individual login and password they will need to use. (please ask your classroom teacher)

Thank you for your ongoing support of the school banking program at Wellers Hill. If you ever have any questions or queries regarding the school banking program, please feel free to drop in and see the banking ladies in the staff room on Thursday morning.
What a crazy few weeks we have had in the tuckshop. “Foods of the World” proved very popular and stretched the convenors and volunteers to perform at their absolute best. Week One of competition began at a cracking pace, with comments varying from “what have we done?” or “we don’t have enough oven space for THAT MANY fish and chips” to “never doing this again!”. But as we settled in to the pace of the competition we seemed to get our act together. Friday of the first week provided a PB for the tuckshop of 228 orders.

Week 2 of competition saw no let-up in the pace. By the last day of the tuckshop Olympics the PB of the previous Friday was re-set to 252 orders for the day. In all, we had 1158 orders over 9 days (with much appreciation for the EKKA holiday) – a massive effort by everyone involved. So thanks so much to the (unfortunate) volunteers whose rostered days just happened to fall during this period – Bec T (who backed up twice), Kelli M, Mika H, Susan R, Scott M, Kim N, Simone S, Tracey N and Caroline S. Special thanks to Katie F who made the mistake of offering to help for half an hour and had to make an emergency “chip run”. Great job, Ros and Kimberley – can’t wait for Gold Coast 2018 and Tokyo 2020!! (not)

For those interested, the winning food choice was fish and chips (208 orders), pies (179), Japanese curry (82), pizza (65), Mac & Cheese (54) and Chinese noodles (45). Japanese curry is now permanently on the menu, along with a Fish Sub (fish fillet, lettuce and mayo on a hotdog bun). Thanks again everyone – your support and help is very much appreciated - Carolyn
