

Wellers Hill State School offers two high yield Learning Pathways

Australian Curriculum Japanese: **ACJ**

Students learn part of the Australian Curriculum in English and part in Japanese. They have two or more class teachers, English and Japanese teachers. They have two classrooms, swapping after first break.

Australian Curriculum English: **ACE**

Students learn the entire Australian Curriculum in English. They have one class teacher and work from one classroom.

Values

At Wellers we strive for:

Independent, resilient students who
are empowered to take risks.

Highly skilled teachers
who transform, inspire and
nurture personal
and academic development

Inspiring, empathetic leaders who
instil a culture of high
expectations, collaboration
and professional growth.

A connected community fostering
a sense of belonging.

Wellers Hill State School Learning Pathways

Everyone connected,
Everyday striving to succeed,
Everywhere learning.

At Wellers Hill State School we plan, teach, assess and report on the Australian Curriculum.

Students in the ACJ Pathway learn the Australian Curriculum Maths, Technologies, Health and HASS in Japanese.

Australian Curriculum Learning areas	ACE	ACJ	
		English	Japanese
English	✓	✓	
Maths	✓	✓	✓

Curriculum

Comprehensive High Yield Australian Curriculum Programs

A school wide focus on Reading and Writing through the Australian Curriculum

A focus on Social and Personal Capabilities within our daily teaching, complimented with a dedicated comprehensive Social Emotional Learning program 'You Can Do It!'

Languages program with our target language being Japanese.

Specialist Arts program (Visual Art, Dance, Music, Drama and Media)

Questions to think about when choosing a pathway for your child

Where will Japanese take my child beyond Wellers?

Does my child need English consolidation to enhance learning outcomes?

Is my child already bilingual in Japanese and requires English consolidation?

Can my child independently organise themselves and belongings to transfer between classes?

Does my child suffer from anxiety when routines are changed?

Is my child independent and resilient?

Is my child easily distracted?

Myths Busted

Do the ACJ students learn a different curriculum? No, all students are taught through the Australian Curriculum

Is the ACE Pathway only for students with learning difficulties? No. Both Pathways offer high yield learning opportunities.

Do ACE and ACJ students play and eat together? Yes.

Is it expected for all students to complete the ACJ Pathway? No.

Is the ACJ Pathway suited for everyone? No.
