Dear Parents and Community Members,

In September 2015 our school participated in a Department of Education and Training Quadrennial Review.

The review was conducted by Mr Tom Robertson and Mrs Pam Hall. Tom and Pam are External Reviewers employed through the Queensland Educational Leadership Institute, QELi.

The review was conducted using the National School Improvement Tool (NSIT), produced by the Australian Council for Educational Research, as a benchmark for performance. All nine of the domains where considered when reviewing the school. The domains are as follows:

1. An explicit improvement agenda.
2. Analysis and discussion of data.
3. A culture that promotes learning.
4. Targeted use of school resources.
5. An explicit teaching team.
8. Effective pedagogical practices.

The report outlines a number of Key Findings and Recommendations for improvement that we will use to further improve the performance of our school. The recommendations will be used as the basis to develop our four year strategic plan 2016 – 2019.

It is my pleasure to present the full report to you. Please read the report in conjunction with the National School Improvement Tool so as to gain a full understanding and overview of our school.

Kind regards

John L. Webster
Principal
